WORLD AIDS DAY, DECEMBER 1

Over a million Americans are estimated to be living with HIV according to the U.S. Department of Health & Human Services. Young people in the United States are at persistent risk for HIV infection. December is an opportunity for people worldwide to unite in the fight against HIV and AIDS and recommit ourselves to shared communication, education, and AIDS awareness. It is estimated by the Centers for Disease Control that 56,000 new infections are occurring annually, that's one new HIV infection every nine and a half minutes in the U.S. To mark world AIDS Day and raise awareness throughout the Portland Metropolitan area, HIV/AIDS service organizations are coming together to implement the Nine and a Half Minutes Campaign for 2009. Through this campaign, they envision hundreds of groups – from schools to community-based organizations – to mobilize short actions, events, or campaigns all over the Portland-metropolitan area to raise awareness for 21st Annual World AIDS Day. Wilson receives a percentage of purchases made at Safeway and other stores and restaurants. The eScrip program was introduced in 1999 and has distributed over \$120 million to schools and youth organizations across the country. Wilson has already received a fair portion of those fundraising dollars and could get even more. Other local merchants and restaurants just need you to pay with a registered credit or debit card, like Burger King; New York NY; Boulevard Café and Happy Fortune and they will send a percentage of your purchases to Wilson in cash. Sign up today! Questions, contact Maureen, reenb@q.com.

WILSON LIBRARIAN SEEKING COMPUTER PRINTER DONATION

Linda Campillo, Wilson's Librarian is looking for help in securing a donation of a new computer printer for the library. "Currently, we do not have a functioning printer," states Linda. In fact, "the library actually could use more than one printer because many students print out essays and classroom projects in the library." The library needs a heavy duty laser printer capable of withstanding the capacity of printing from about 20 computers. Anyone who is interested in donating such a printer could please contact Linda Campillo at: lcampillo@pps.k12.or.us.

WILSON AUCTION DONATION STRATEGY MEETING, DECEMBER 2

Wilson Auction Donation Strategy Meeting. Wednesday, December 2, 2009, 7:00 pm Wilson Teacher's Lounge. The Wilson Auction raises money for sports, music, arts and academic programs at Wilson. Parents and teachers may solicit donations on behalf of their favorite program or designate proceeds for the general fund which will be shared among Wilson programs that request aid. The committee has already mailed letters to all individuals and businesses that contributed to last year's successful event and some donations are coming in. However, most requests require follow-up and our next task is to make sure that interested parents are taking follow-up assignments and making the calls. This meeting will include a bit of brain storming to identify additional businesses that can be approached for donations, as well as vacation homes, group parties, and events. This will be our last meeting before winter break. When we meet again in January we need to hit the ground running. April 10 will be here all too soon. Questions? Write Nancy Kurkinen, nak@hevanet.com.

The Center is currently in need of winter outerwear—coats, jackets, hats, gloves, scarves. The Center is also short on jeans (please make sure they have working zippers!) Wilson's Lost & Found will be cleared out the week of Nov. 30—all items not claimed will be sent to the Center, so please check the Lost & Found for your belongings before the Thanksgiving break starting Nov. 26. There is a labeled white bin in the main office where you or your kids can drop clothes anytime the office is open. Tax receipt donation forms and applications for obtaining clothes from the Center are available from the office staff. Questions? Call Mari Vandewettering, 503-464-7899.

THE ROTARY CLUB OF PORTLAND IS LOOKING FOR HOST FAMILIES

Rotary International is a global service organization that promotes civic involvement and international understanding and goodwill through a network of more than 32,000 local clubs. The Rotary Club of Portland participates in the International Youth Exchange program and sponsors one or more high school juniors each year to study in a foreign country for 10 months. Twenty four countries participate in the Exchange and include countries as diverse as Argentina, Australia, Finland, Switzerland, Turkey and Thailand. The Rotary Club of Portland is sponsoring Wilson student **Henry Fortuna** in Thailand this year. Next year, they will be sponsoring another Wilson student, **Katie Park**, to live and attend school in South America. For each student **Rotary** sends abroad, it **brings a foreign student to Oregon**. Three host families are required to accommodate one Exchange student, with the student **staying approximately three months** of their 10-month stay **with each participating family**. The **Rotary Club of Portland** is looking for **host families** for the **2010-2011 school year**. The family does not need to learn another language as it is part of the student's experience to learn the host's language. The basic requirement of a host family is to provide their exchange student with the life of an American teen. To house an exchange student offers a glimpse into their world and broadens the experience for the entire family. **For more information**, please contact The Rotary Club of Portland at (503) 228-1542 or visit their website, www.rotarypdx.org.
