Our teachers and staff have designated assigned parking spots at Wilson labeled faculty. Please do not park in the faculty spots. Student parking spaces are all the spaces on the outside perimeter of the parking lot unless otherwise designated. Students may also park in any space not marked as staff/faculty/custodial/visitor and includes the north parking lot at Rieke. And, all student vehicles must be registered with campus security in room 149. If your car is not registered with the school, it can be towed or booted.

Parents:

We understand that there are not many spots for volunteering and visiting. We are planning to get our parking lot re-stripped this spring and we will get more visitor spots added to the lot.
