Everyone

TODAY, we will be hosting the Portland Police Student Academy in our north parking lot (gym end) from 9am to 3pm. This will effect student and staff parking. The chains will be up on the east side of the tennis courts and the west side of the entrance to the loading dock. You will not be able to drive through the parking lot. If you normally park near the gym, you will need to enter through the Hillsdale entrance or through the Rieke parking lot. If you park on the east side you will need to enter from Vermont St or Burlingame Ave (this gate will be open for this event). Spaces 70-76a will be unavailable along with several student spaces.

In addition, we will be hosting Cleveland teachers at Wilson during the 2 hour late opening, adding to the lack of parking before school. We apologize for any inconvenience this may cause.

Wilson Speakers Clean Up at Century

In the last invitational tournament before qualifiers for State and National tournaments, the Speech and Debate Team took home awards in multiple categories, the most of any team. Congratulations to 1st place winners Alberto Rincon (Dramatic Interpretation) and Benedicte Hamilton (Expository Speaking), 2nd place winners Lia Freeman (Humorous Interpretation) and Amy Rodgers (Prose Interpretation), and 3rd place winners Diana Herrera (Oratory) and Tatum Bair (After Dinner Speaking).

The 7 universities of the OPU (formerly the Oregon University System) are coming to Wilson TOMORROW, Thursday, 3/19 from 6:30-8:00 PM! Wilson families are encouraged to attend and learn about admissions, programs, campus life, financial aid, etc. at the public colleges in Oregon. This is a great opportunity to look ahead and start informing yourself about the college process. The participating colleges are: Eastern Oregon University, Oregon Institute of Technology, Oregon State University, University of Oregon, Portland State University, Southern Oregon University, and Western Oregon State University. There will be a general session followed by 2 breakout sessions where participants can meet with representatives from their colleges of interest. Families of students from grades 9-11 are urged to make this a priority. Having all the state schools together is a great way to learn about their similarities and their unique features. Mark your calendars now. [Wilson Counselors & the College Center]
