Wilson High School is excited to offer a new Health elective course this spring. It is called **Nutrition and Wellness** and will be taught by Wilson Health teacher Josh Martin. The goal of this course is to offer students an opportunity to experience issues, information, and skills regarding the foods they eat. In addition to studying nutrition and how food choices affect our health, we will tackle topics such as food safety and food-borne illnesses resulting in students earning their Oregon Food Handler's Safety certification. To do all of these things, we need to stock our kitchen labs with new/gently used kitchen equipment. We are in need of: pots and pans (non-stick preferred), cooking utensils (all types), dish towels, aprons, wash cloths, sponges, mixing bowls, measuring cups and spoons, dish drying racks, etc. If you or someone you know, would like to donate materials for this class, please contact Josh Martin (jmartin2@pps.net) or Kate Morgan (kmorgan@pps.net) as soon as possible. Thank you in advance for your support of this class. [Kate Morgan, Career Coordinator]
