**Molly's Fund Fighting Lupus** coming up **this weekend** has fun volunteer opportunities for Wilson students! We are the beneficiary of all four of the Terrapin runs in Portland each year and need to provide around 100 volunteers for each race. This weekend is of [Run Like Hell Portland 2014](http://www.mollysfund.org/run-like-hell-portland/) in downtown Portland (at Pioneer Square) and we are looking for more volunteers! If you think this would be a fun opportunity, join us! Here is the link to register <http://www.mollysfund.org/run-like-hell-portland/>. This is also great for parents and kids to do together! [Sundbom]

The College Center has 2 tickets for "**An Evening with Bill Nye, The Science Guy**", **October 25, 7:00**, Pamplin Center, Lewis and Clark College. They are \$45.00 tickets and the evening should be very entertaining.

### **Opportunities** [see Kate Morgan, Career Coordinator, Rm. 221]

Wilson has been offered an incredible opportunity for young men and women interested in engineering, computer science, and innovation. The **PSU Innovation Challenge Competition** is a student-driven opportunity designed to excite creativity and goodwill. A theme is announced and the selected team must creatively solve the problem whilst focusing on the humanitarian impact of engineering and design. Students will be introduced to and will work with PSU mentors, will get to go on tours of labs, and will work with each other to problem solve. If this sounds like something you or your child would be interested in, please see Kate Morgan in room 221 as soon as possible, as there are limited spots available.
