It's a community on the brink of change, full of hopes, dreams and pressures, where the biggest struggles can be deciding which traditions you take with you, and which ones you leave behind. Music/Lyrics by Lin-Manuel Miranda, Book by Quiara Alegria Hudes, Directed by Jamie M. Miller. Appropriate for students in upper-elementary grades and above for occasional coarse language. [Miller]

The Special Education program at Wilson is starting a new enterprise for students who want to build their mechanical skills: **The Green Team Bike Shop**. This is a student-run enterprise that builds and repairs bicycles, incorporates financial and business education, and provides hands-on experience. This unique program incorporates STEM education, vocational skills, community safety and cycling into a single experience involving kids with disabilities and kids without disabilities. Service learning projects will also be incorporated as we partner with bicycle-oriented charities such as Bikes to Africa. In order to make this project work, we need donations of bicycle specific tools. Any bike or mechanics tools will be appreciated as well as bike shop fixtures, parts, supplies, and used bicycles. Please help us spread the word to those who may have tools to donate. *Please donate your tools to our fledgling enterprise!* [LeFave]
