**Welcome to Wilson High School! We hope you had a really great summer!
We wish you a successful school year – please let us know if we can help.**

Important Info

- **All students pick up a pink copy of your schedule at the main entrance before classes begin today.**
- **Classes for all students begin at 8:15 today. The final bell is at 3:15pm.**
- **All high schools in the district are on the same bell schedules this year and there will be several late opening Wednesdays – classes will begin at 10:15, final bell at 3:15. They are:
September 17, December 17, January 21, February 18, March 18, April 15, May 20.**
- **If you missed the photographer at registration, they will be here today 7:45am to 12:noon for ID/yearbook pictures. Picture re-take day is October 16th.**
- **Parents who created their Parent Vue (PVUE) account last year (even for middle school) will have the same User ID and password this year. If you have not set up your account, email Sara Mattheisen smatthei@pps.net to receive your activation information.**
- **Reminder for Senior and Junior students expecting to park at Wilson...the south side of Vermont is now a bike lane. You will be ticketed by the City of Portland if you park on that side of the street. Also, please do not park in a numbered staff space on campus, you will be ticketed by campus security. The North entrance to Wilson is closed for a few more days due to the turf field installation. Some spaces are available down by Rieke Elementary on a first come, first park basis – but, your vehicle must be registered with campus security at Wilson.**

And, for that always burning question for Seniors:

(taken from page 5 of the Portland Public Schools Attendance Handbook for 2014-2015)

*NOTE: Students who are 18 may **not** excuse themselves from school or specific class periods. To excuse any student absence, the district requires notification from the parent/guardian regardless of student age. The **ONLY** exception to this rule is if a student has been legally emancipated from their parents and provides proof of such court action. In that case, schools may accept a written notification from the student.*

Students

The first meeting of the Wilson Robotics Club will be on Wednesday 9/3 @ 6pm in Rm. 7. Any students interested in science, technology, engineering and math please come see what we are all about. We need builders, programmers, and creative problem-solvers. Bring your parents – they'll want to hear about the scholarship opportunities. [Sam Johnson, parent advisor]

Everyone

The Life Skills program at Wilson is starting a new enterprise for students who want to build their mechanical skills: **The Green Team Bike Shop**. This will be a student-run enterprise that builds and repairs bicycles, incorporates financial and business education, and provides hands-on experience. In order to make this project work, we need donations of tools. Any bike and mechanics tools will be appreciated.

This includes most automotive tools such as wrenches, power tools such as hand-held drills, as well as bike specific tools. We would also love to have some bike shop fixtures such as a bike repair stand, wheel truing stand, and a vise. Please help us spread the word to those who may have tools to donate.

*This issue of the Daily Bulletin is submitted by Sara Mattheisen. To have a notice printed in the Bulletin for the next school day, please leave your notice in the Main Office or email smatthei@pps.net by **Noon**. Items new today are in **bold**.*
