SUCCESSFUL SUMMER FOR WILSON ROWERS

Four Wilson High School students were members of a Rose City Rowing Club boat that **finished fifth in the country at the U.S. Rowing national championships** in June. These include **Kevin Hart** (graduated), **Michael Evans** (current senior), **Logan Pirkl** (current senior), and **Jonah George** (current junior). Later in the summer, Jonah participated in the Seattle Area Rowing camp and was in a boat that placed first in the U.S. Club National Championships in Tennessee. Logan and Michael attended the U.S. national team selection camp in Princeton, New Jersey. Michael was named to the team and raced for the U.S. in the pair (two person boat) in the World Championships held outside of Prague in the Czech Republic.

REMEMBERING WAYNE TWITCHELL WILSON'S BASEBALL MAJOR LEAGUER, OREGON HALL OF FAMER

We lost **Wayne Twitchell '66** who passed away from cancer on September 16, 2010. He was a big-league pitcher, storyteller, mentor, Major leaguer, and Oregon Hall of Famer from Wilson High. Wayne was 62. There was a Memorial Service on Saturday, September 25 in the Multnomah Presbyterian Church. If you were unable to attend, cards can be sent to the family at 5719 SW Brugger, Portland, Oregon, 97219. Wayne is survived by his wife Barbara and sons and Wilson graduates, Patrick '98 and Matthew '94. Mike Clopton, Wilson baseball coach was quoted in an article by Aaron Frentress as saying that Wayne Twitchell "was a great story teller. Very quiet and unassuming for a guy that had achieved what most kids wanted to. Giving instead of taking. He made the game real simple so the kids would understand it. He was very calming for the pitchers." As Dwight Jaynes posted in his blog, "We lost a great one last week". HELP CHEER WIN \$\$\$... DOESN'T COST YOU ANYTHING

The Wilson Varsity Cheer Squad was invited to compete to win fundraising dollars just by getting people to vote for them to be the best commercial for Landmark Ford's new Fiesta ad campaign. "This one doesn't cost anything," adds Wilson parent and graduate Maureen Lawson '78. "Landmark will give us the money if we win! You don't even have to watch all the ads to vote for Wilson Cheer. You do have to scroll down to the bottom of the choices to find them, though! Please vote everyday, once from every computer you have access to or test drive a Ford Fiesta at Landmark for a bonus ten points (be sure to pick Wilson Cheer). It could mean \$1,500 to pay for our squad to go to National competition. We're the #1 State squad for three years in a row!" Voting continues until the end of September, so click on this link and vote every day for Wilson Cheer: <http://www.landmarkford.com/fiesta-voting.htm>.

The purpose of the test is to give all students an opportunity to experience taking a college readiness test and to identify students who might benefit from advanced coursework. Even if your child has not yet decided to attend college, we urge you to see that he or she participates.

The PSAT/NMSQT® is a national standardized assessment measuring the critical reading, mathematics, and writing skills needed for higher education and careers after high school. By taking the PSAT/NMSQT® your child will have access to resources that will help prepare him/her for the future including:

- First-hand practice in preparing for the SAT.
- Receive feedback on your strengths and weaknesses on skills necessary for college study.
- Compare your performance on an admissions test with that of others applying to college.
- Enter the competition for scholarships from NMSC (grade 11 students only).
- Receive information from colleges when you check "yes" to Student Search Service.

Juniors: Even if you took the exam as a sophomore, we encourage you to register to take it this year as well. **11th grade students are eligible for the National Merit Qualifying Scholarship based on their PSAT scores.** Juniors can sign up by October 7, 2010 with the Bookkeeper for \$20. Students on free or reduced lunch can register for \$5. If this is a financial hardship, see Abby Menashe or Erica Meyer in the Main Office.

Please note that **10th graders are not eligible for the National Merit Qualifying Scholarships.**

All sophomores will receive the Official Student Guide to the PSAT/NMSQT in their English classes. Juniors will receive it when they register. It provides test taking help including sample tests and other valuable information. Please take time to review this Guide. For additional information, visit the PSAT web site <http://www.collegeboard.com/student/testing/psat/about.html> and <http://www.collegeboard.com/student/testing/psat/prep.html>.
