## WILSON STUDENT ALL-STARS

This month the SW Community Connection highlights three Wilson students for their academic excellence, achievement and leadership. **Dominique Montrond** is a junior and enjoys choir and advanced chemistry. She is a member of the Positive Action Concerning Teens (PACT) committee and participates in soccer, volleyball and track. **James Wolff** is a junior and enjoys art and English. He is a member of the PACT and plays baseball for Wilson. James hopes to become a graphic designer. **Erin Thomas** is a junior and a member of PACT and enjoys AP environmental science and Spanish. She hopes to travel and educate people about malnourishment issues in Latin American countries. Thanks to **Gifford Dentistry** for their sponsorship of the All-Stars.

## TEACHER BEATS CANCER, WINS BIG

On September 17, **Kathy Anderson** was awarded KOIN TV's Teacher Appreciation Award. The award was given to the teacher who has made the most difference to a student or a group. The winning teacher received a shopping spree. Julie Bong, one of Anderson's students from 1994, thought of Anderson as a life-changing teacher and entered her into the competition. Anderson received the call on September 17 to drive to the nearest Dress Barn and receive the "Hollywood treatment." She was given a whole new outfit, complete with jewelry and shoes. "It was a very humbling experience for me," Anderson said. "I've never won anything before." For 18 years Anderson has been changing the lives of students, but last year her life changed when she found out that she had Stage IV breast cancer. When she recovered, Anderson came back to Wilson to teach last spring. "I don't think cancer is a secret. You hear people saying that they have the flu. Why's cancer different?" said Anderson. Upon her return, Anderson quickly got back into the rhythm of teaching English. When asked how the contest affected her, she said, "It was very sweet to know that after all these years of not seeing Julie, she still thought of me in a positive way. All I want is for my students to see me in a positive light."
