SCRIP SALES FUND PTA SMALL GRANTS

Did you know that every dollar earned through the Scrip program is used to benefit Wilson students? Income from scrip sales provided the funds for the PTA Small Grants last fall. The Peer Counseling Retreat received \$500, the Wilson College Career Center received \$1500, and the ceramics department will buy a new potter's wheel with their \$800 grant. In the past, the scrip program has helped fund the new reader board in front of the school. The PTA was only able to award these groups this money because of people, like you, who buy scrip through Wilson. Buying scrip is easy. The order form and instructions can be found on the Wilson PTA page. You can also find a link on the Wilson home page. Remember, every dollar earned goes toward helping Wilson students. Have questions? Contact Gail Lembke at: elembke503@aol.com or 503-246-3411; or Martha Schulte: schulte@easystreet.net or 503-244-50722. Thank you to all the Wilson families, alumni and community members who have purchased scrip, and to all those who will do so in the future. Scrip form: <http://www.pps.k12.or.us/schools/wilson/931.htm>.

Note: The next scrip order date is February 5.

INTRODUCING PEER COUNSELING AT WILSON NEXT YEAR!

Peer Counseling is a new program coming to our school in 2013-2014! The program is being developed as a new elective class that will help students develop skills and knowledge to contribute to the well-being of our school community in their role as goodwill ambassadors of Wilson High School. This course will introduce students to empathetic listening skills and community resources and will serve as a potent learning experience for those considering careers in the helping professions. Topics covered will include: family issues, grief, stress, depression and suicide, substance abuse, relationship challenges, and interpersonal violence.

WHS Peer Counselors will be active in many opportunities to make a positive difference at our school, including:

- Staff a peer-counseling drop in space.
- Orient and welcome new students to WHS.
- Give presentations to our feeder elementary and middle schools on a variety of topics related to making good choices and being successful in high school.
- Work together with Leadership to sponsor activities and projects to promote a welcoming and inclusive atmosphere at Wilson.
- Present to Wilson students in sophomore health and freshman ACE classes addressing topics such as: Stress management, bullying, school motivation and success, teen suicide, sexual assault and harassment, and building healthy relationships.

Students will need to apply during forecasting to gain admission to this class and applications can be found now on the front counter of the main office.

ROTARY YOUTH EXCHANGE

Travel around the world without ever leaving your own home, host a Rotary Youth Exchange student. Both are tremendously rewarding experiences. **Rotary is searching for host families within the Wilson HS boundaries to host a student during the 2013-14 school year.** If your family is interested, contact Delanie Delimont, 503-246-5009 (home), delanie@lifturbanportland.org.

GIVE THE GIFT OF ALL WEATHER TURF

In an effort to replace the Wilson High School grass field in the stadium with all weather turf, the **Wilson Fields Improvement Project** (<http://wilsonfields.org/WilsonField.html>) was formed by a group of dedicated and generous alumni and supporters in the community. This is part of the larger, Places for Sport program, which is refurbishing all of the PIL high school tracks and fields to synthetic playing surfaces. We are proud and excited to have signed on to help and we have been offered significant financial pledges to fund a new field with the requirement that we have the broad-based support of the Wilson community. The project goal is to raise \$1.2 million to replace the existing WHS grass athletic stadium field with an all-weather synthetic turf field. To date with early contributors we have raised approximately \$90,000. Our fund raising goal is absolutely doable and has already been accomplished by Roosevelt, Cleveland, Lincoln and Benson. It's our turn!

The new surface will significantly increase availability, provide opportunities for community use, reduce year-round maintenance costs and give Wilson a safer surface resistant to the ravages of Oregon weather. Artificial turf will enable Wilson High School's outstanding sports teams to host "home" playoff games on our field instead of requiring our students to travel to other area high schools' fields. No longer will Wilson athletes be driving across town to play the most meaningful and memorable games of their high school careers.

We are asking for your help to meet the fundraising goal so we can replace our field as quickly as possible. You can donate by cash, check or credit card. We even have PAYPAL!

<http://wilsonfields.org/Donate.html>. Of course all donations are tax deductible. Checks should be written to Wilson Fields Improvement Project and can be mailed to Wilson High School, 1151 SW Vermont, Portland, Oregon 97219.
