ROTARY YOUTH EXCHANGE

Travel around the world without ever leaving your own home, host a Rotary Youth Exchange student. Rotary District 5100 and the Rotary Club of Portland is seeing an increase in the number of high school students hoping to be American ambassadors to foreign countries through Rotary Youth Exchange. Both are tremendously rewarding experiences. **Rotary is searching for host families within the Wilson HS boundaries to host a student during the 2013-14 school year.** If your family is interested, contact Delanie Delimont, 503-246-5009 (home), delanie@lifturbanportland.org).

WILSON PTA PARENT EDUCATION COMMITTEE PRESENTS on FEBRUARY 21**Our School is for Everyone: Taking Action to Stop Bullying!**

Thursday, February 21 6:00 – 8:00 pm Wilson HS Cafeteria

In this bimonthly Parent Education meeting, Learning Specialist Rich Matkins will be joined by a panel of concerned Wilson students to address the experience of bullying from all perspectives, what the warning signs are, and what can be done to prevent bullying and foster a safe and engaging learning community. Rich Matkins, MEd, has been a Learning Specialist/Speech Language Pathologist for 33 years, most recently with the Beaverton School District. Bullying and harassment, and its sometimes devastating effects, likely affect the Wilson community of students, parents, teachers, and administrators. This subject has become a national concern in our schools, as epitomized by the recent revealing documentary on peer-to-peer harassment, "Bully." Participants will learn how to recognize bullying, practical intervention techniques teens can use to be more than a bystander, and what resources are available at Wilson, the district and community to provide further assistance. Light refreshments will be served at 6PM. Presentation begins promptly at 6:30.

CONTINUED NEXT PAGE

The **Parent Education Committee** plans and hosts three high-quality parent education events a year with the following goals:

- *to provide an engaging entry point into the Wilson community*, where parents can meet each other in a relaxed environment and become better-informed about issues and developments at the school.
- *to give Wilson parents the encouragement, resources, and skills* to address the critical issues, behavioral patterns and cultural influences of high school, and thereby help parents in raising healthy teens.
