Italian families are in turn happy to host your child during summer vacations and we sponsor the flight! We specialize in a rigorous selection process ensuring that participating students are responsible, motivated, and proficient in English; we then carefully match students with host families. They are fully insured and come with pocket money for all expenses, including recreation activities and vacations. Several of our Italian students have attended Lincoln and Riverdale high schools in Portland and the best high schools in Seattle and Eugene with positive experiences for students and families alike. Past and present host families are our best references and will be happy to share their experiences with you. Exchanges offer students and their host families the opportunity to experience a different culture and build international bridges through friendships and knowledge.
