FITNESS EQUIPMENT NEEDED

Wilson High School is creating a fitness center for our students for the 2014-2015 school year. We have applied for a couple of grants to help us create this fitness center and yoga space. As we wait for the results of these pending grants, we would like to make an ask to our community. If anyone knows of a fitness club, hotel or other establishment who may be updating their fitness center and they are looking for a home for their working, commercial grade exercise equipment, Wilson would like to be considered for this equipment. Donating to Willson would be an excellent tax deduction and would greatly benefit our students.
