November 13th-16th & 20th-22nd

Tickets available at: <https://app.arts-people.com/index.php?ticketing=whsta>

"In The Heights" tells the universal story of a vibrant community in New York's Washington Heights neighborhood—a place where the coffee from the corner bodega is light and sweet, the windows are always open and the breeze carries the rhythm of three generations of music. It's a community on the brink of change, full of hopes, dreams and pressures, where the biggest struggles can be deciding which traditions you take with you, and which ones you leave behind. "In The Heights" is the winner of the 2008 Tony Awards for Best Musical, Best Score, Best Choreography and Best Orchestrations. Music/Lyrics by Lin-Manuel Miranda, Book by Quiara Alegria Hudes, Directed by Jamie M. Miller. Appropriate for students in upper-elementary grades and above for occasional coarse language.

***INTERESTED IN BASKETBALL, WRESTLING OR SWIMMING?**

Interested in trying out for Basketball or joining Wrestling or Swimming? Try-outs for Hoops and practice for Wrestling and Swimming start Monday November 17th. Even if you played a fall sport, you and a parent together must now sign up online right away for these sports at: www.familyid.com/wilson-hs. Boys basketball tryouts are 3:30-5:30pm, Mon-Wed November 17-19. Girls JV/Var basketball tryouts are 5:30-7:30pm, Frosh are 5:30-7:30pm, Mon-Wed Nov 17-19. If you need more info go to the WHS website for each sport or stop by the Athletic Office.

***WILSON OFFERS NEW ONLINE SPORTS REGISTRATION**

Wilson's Athletic Director, Mike Easton, is excited to announce that Wilson is now offering the convenience of online sports registration through an organization called FamilyID. Over 400 high schools currently use FamilyID and FamilyID boasts a 98% renewal rate of their schools. This online registration offers three excellent benefits—

1. It's a secure registration platform that provides parents with an easy, user-friendly way to register for our program. When you register through FamilyID, the system keeps track of your information in your FamilyID profile so you enter your information only once for multiple uses, multiple family members and multiple programs. You only need to update your information when necessary. Also, FamilyID has no ads on their site, and will never sell or share your contact information.
2. It will enable the athletic office and bookkeeper to be much more administratively efficient and environmentally responsible.
3. Coaches will receive essential updated info such as email addresses, safety information and clearance data so they can communicate effectively with parents.

Tryouts/practice for winter sports starts Nov 17, so parents of winter athletes should register now with Family ID to get cleared to participate. This is now an **online-only** process.

Deadline for registration—Thurs., Nov. 14 (but please sign up ASAP)

Deadline for payment—Mon., Dec 1

Follow this link to start the process: <http://www.pps.k12.or.us/schools/wilson/240.htm>.

***IT'S HOMEWORK SEASON**

Make sure your students know about Multnomah County Library's newly upgraded Homework Center (<https://multcolib.org/homework-center>). Created by youth services librarians, the site features booklists and websites on topics from science to social studies to language arts. You'll find online magazine and encyclopedia articles, and when those homework questions have your student stumped, connect with an online tutor through Live Homework Help at: <https://multcolib.org/resource/live-homework-help-tutorcom>. The Homework Center is accessible through computers, tablets and smartphones.

***ANYONE EXPERIENCED WITH FLAG/DRILL TEAM CHOREOGRAPHY?**

NEWS FROM THE COLLEGE CENTER: FINANCIAL AID 101

College is an expensive investment and you want to maximize your opportunity to receive financial aid. To qualify for financial, you file a FAFSA (Free Application for Federal Student Aid) based on earnings and assets in the base year (2014 for this year's seniors). While there are no "tricks" to improve your situation, if you understand the system, you can avoid some mistakes. Not all sources of money are assessed equally in the FAFSA calculations. Student assets, typically savings and earnings, are considered most available and consequently are tapped at about 20%. Parent assets are somewhat protected since they have other demands on their resources. Their savings and cash accounts will be targeted closer to 5%-12%. Often well-meaning relatives gift students money to help pay for college, and it is kept in a special account in the student's name. It is wise to have these \$ in the parent's name prior to the end of the base year. If you have put money in a 529 College Savings Account, these funds are treated as a parent asset, so have some protection. In the financial aid game, "knowledge is power"; be sure you attend the Financial Aid Workshop at Wilson on December, 2nd. This is a must for seniors and their parents, but is open to all grade levels. We encourage families with students in grades 9-12 to attend.

BOOK A PHOTOSHOOT AND WILSON GETS A DONATION

Josh Lucas from J.Lucas Photography is donating 20% of all profits to Wilson H.S. for any photoshoots with students and their families (who mention this ad)! Book a senior portrait session or grab some action shots for sports. You can find portfolios on his website at www.jlucasphoto.com.

DONATE TOOLS FOR BIKE SHOP

The Special Education program at Wilson is starting a new enterprise for students who want to build their mechanical skills: ***The Green Team Bike Shop***. This is a student-run enterprise that builds and repairs bicycles, incorporates financial and business education, and provides hands-on experience. This unique program incorporates STEM education, vocational skills, community safety and cycling into a single experience involving kids with disabilities and kids without disabilities. Service learning projects will also be incorporated as we partner with bicycle-oriented charities such as Bikes to Africa. In order to make this project work, we need donations of bicycle specific tools. Any bike or mechanics tools will be appreciated as well as bike shop fixtures, parts, supplies, and used bicycles. Please help us spread the word to those who may have tools to donate. ***Please donate your tools to our fledgling enterprise!*** Questions: Dominic Le Fave, Wilson Life Skills, Intensive Skills Academic, dlefave@pps.net.

PSU INNOVATION CHALLENGE COMPETITION

Wilson has been offered an incredible opportunity for young men and women interested in engineering, computer science, and innovation. The PSU Innovation Challenge Competition is a student-driven opportunity designed to excite creativity and goodwill. A theme is announced and the selected team must creatively solve the problem whilst focusing on the humanitarian impact of engineering and design. Students will be introduced to and will work with PSU mentors, will get to go on tours of labs, and will work with each other to problem solve. If this sounds like something you or your child would be interested in, please see Kate Morgan in room 221 as soon as possible, as there are limited spots available. For more information, please go to <http://bit.ly/HSInnovChall>.

NEW HEALTH COURSE ... HELP US STOCK THE KITCHEN WITH EQUIPMENT

One pot, one pan, one mixing bowl, one apron ... if everyone gave just one item, we would have a fully stocked kitchen. Wilson is excited to offer a new Health elective course this spring called **Nutrition and Wellness** and taught by Wilson Health teacher **Josh Martin**. Goal of this course is to offer students an opportunity to experience issues, information, and skills regarding the foods they eat. In addition to studying nutrition and how food choices affect our health, we will tackle topics such as food safety and food-borne illnesses resulting in students earning their Oregon Food Handler's Safety certification. We will study the merits and drawbacks of different specialized diets. Students will learn about where their food comes from and the importance of fresh, whole food choices over other less healthy options. Class will also learn some basic safety and cooking skills in the kitchen, along with budgeting and menu planning. There will be hands-on demonstrations and presentations by local professionals in the food and food service industries. To do all of these things, **we need to stock our kitchen labs with new/gently used kitchen equipment:** pots and pans (non-stick preferred), cooking utensils (all types), dish towels, aprons, wash cloths, sponges, mixing bowls, measuring cups and spoons, dish drying racks, etc. If you, or someone you know, would like to donate materials for this class, please contact Josh Martin (jmartin2@pps.net) or Kate Morgan (kmorgan@pps.net) ASAP. Thank you in advance for your support of this class.

GRAD NIGHT SPORTS/SPIRIT BUTTONS

One of the major fundraisers for Wilson Grad Night is sports/spirit buttons. We need photos of athletes (usually in their team uniforms) to make the buttons which is where you come in. Please contact the coach for your student's fall sport/club/activity and arrange to take a photo of each participant. Our button volunteers will process the photos and make the buttons that you sell at sporting events for a small cost (1 button for \$3 or 2 buttons for \$5.) The buttons are very popular with parents and students and can only happen with your help! If you have any questions about taking the photos for buttons, please contact our grad night button volunteers, Leslie and Neil Nathanson at lghamilton@comcast.net Thanks for helping Wilson Grad Night 2015!

WIN A FULL SCHOLARSHIP TO GO ABROAD AND MAKE AN IMPACT

AFS Project: Change has been launched. This is a scholarship opportunity that every educator should know about and share with their students. Please send this message on to any educators you know. **Project: Change is a scholarship contest built around the power of individuals to effect change.** In celebration of the American Field Service centennial, AFS-USA is offering students the opportunity to go abroad and make an impact. AFS was founded on a world-changing idea: that cultural exchanges could lead to better understanding and cooperation among nations. But ideas need leaders. Students submit a volunteer project idea that addresses a major global issue in any of 14 AFS countries. The top ideas will be selected by AFS staff based on feasibility, creativity, and submission quality. These ideas will then be voted upon by AFS audiences, and the grand prize winner will be awarded a two-week program created around his/her idea: they will put their vision into action. 4 additional winners will be offered full scholarships to go on that program for free. The submission deadline is December 10, 2014. GO TO: <http://www.afsusa.org/project-change/> for more information.
