SZCZEPANSKI AND STREINZ HEADED TO NATIONALS

For the second year in a row, Wilson Speech and Debate will be represented at the National Speech and Debate Tournament. This year, the Public Forum Debate team of **Edward Szczepanski** and **Michael Streinz** are North Oregon District champions, going undefeated in seven rounds of double elimination competition. Edward also won 2nd place in International Extemporaneous Speaking, but since national rules allow a person to qualify in only one event, Edward stepped aside in that event to allow another student to compete. Freshman **Amy Rodgers** made the final round of Humorous Interpretation, **Hannah Borel** made semi finals in Humorous Interpretation, and **Alberto Rincon** made semi finals in Dramatic Interpretation. Congratulations to all the competitors. The entire team competes at the PIL District tournament the first week in April to qualify for State. Congratulations and good luck!

TRAINING AS COMBAT ENGINEER

Cory Martinez '14 recently graduated from the U.S. Marine Corps boot camp on January 9, 2015. He is now a Marine in combat training at Camp Pendleton, California. He'll go from there to Camp Lejeune, North Carolina for training as a Combat Engineer. He is in the Reserves program. Once his training is finished in Spring 2015, he'll be stationed in Portland. Cory is planning to attend Portland Community College in the University transfer program. Cory is well remembered at Wilson. "As a peer counselor, Cory excelled at welcoming others," states Kathryn Wolff, Wilson Counselor. "He was an easy person to talk with and did not hesitate to start a conversation with someone new. He

also surprised everyone in class one day when we had a French foreign exchange student visit and Cory started a conversation with this student using fluent French! He was a well-liked and respected peer counselor."

Congratulations to Cory and his parents, **Chris Martinez** and **Kevan Anderson**.

PROVIDING STRATEGIC PUBLIC RELATIONS COUNSEL

Since **Keith Metz-Porozni '02** graduated from Wilson, he received a B.S. in journalism at the University of Oregon in 2006. He has been pursuing a career in public relations. Currently, he works for R/West, an agency based in Portland with offices in San Francisco and New York. R/West specializes in regional and national advertising, creative design, interactive strategy and design, media planning and buying, social media and public relations. Keith and his wife moved to Central Oregon in March 2014, where he works remotely from Sisters, Oregon. Numerous Wilson teachers had an impact on Keith. **Hal Jackson** was his American History teacher and running coach. Keith says, "he always showed interest in all types of students and took as much pleasure in seeing a JV runner get a 'PR' as another who was contending for state. That shows a tremendous amount of character and I think about that often. Being a leader isn't just about the handful of the most talented, but about helping everyone you lead to realize their potential." Keith says **Carolyn Wood** had a tremendous influence on his writing. Adding, "She taught me how to construct an argument in a coherent and organized manner on paper. I wish she could have provided a few tips to my writing instructors at the University of Oregon! I still think about the nature journals we would write. The same could be said for **Mrs. Clyman**." He has always admired **Kent Dorsey** and **Scott Aker**. Keith says, "they were always willing to chat when I interviewed them for the Statesman and I had Kent for math and I made great strides in his class." Keith remembers that **George Penk** "made chemistry tolerable for me and dare I say enjoyable? I struggled with it and he was always very helpful." Keith also remembers **Jeremy Shetler**. "He was a campus monitor at the time and busted me a few times for coming back late from lunch but I've been so impressed with how he has emerged as a leader at Wilson, including becoming the head baseball coach."

THE ONLY BAD PLAN IS NO PLAN

Our goal in the College Center this year is for all seniors to have a plan when they graduate. That plan can be a 4 year college degree, a 2 year associates degree, a community college certificate, a vocational certification, a gap year, the military, work, etc. To this end we are encouraging all undecided seniors to participate in Preview Days @PCC where students will learn about career-focused technical degrees, earning credits before transferring to a four-year university, and exploring all PCC options. Each PCC campus has a separate Preview date:

- Cascade Campus Friday, April 17 8:30 – 12:00
- Rock Creek Campus Friday, May 7 8:30 – 12:00

Register to attend these programs at: www.pcc.edu/preview.

The cost of 1 year @PCC is @\$4500 and they have terrific scholarship programs* for students. Please talk w/your senior about this option, if he/she is not yet sure about a direction after graduation. Our focus for the next few weeks is to contact seniors in this position and invite them to the College Center to look @options. We want to partner w/you and your student to ensure a smooth transition to a bright future after Wilson. Feel free to contact the volunteers in the Center if you have questions or concerns. ***Scholarship due date March 1st, FAFSA required.**
