ADVERTISE WITH WILSON FOOTBALL

Wilson football is a top notch football program with new and exciting things occurring. We recently installed a new turf field, are adding a new concession stand which will be ready by the season, and strengthened our coaching staff at all 3 levels. Regarding **sponsorship opportunities**, our two main areas are still our home game media guides and sign display banners which are hung on the stadium fence. In addition to the media guide and banner sponsorship opportunities, which we have listed in 3 different package options, we also have additional items that can be purchased via a la cart listing, such as being a sponsor on our Portland SportsBeat live-stream radio broadcast, our website, PA announcements, game ball sponsors, etc. Please look it over and you will see there is something that fits everybody. Having a strong business community that supports our football program is mutually beneficial for us as well as the SW Portland Community. If you or someone you know is interested in becoming a Wilson Football Sponsor **please reach out to Sponsor Coordinator Kelsey McCauley** for an order form or let her know if there is more information that you need in order to make a decision. Any artwork/logo for a banner will need to be emailed to her by August 5 in order to make deadlines for the banner and media guide. Attached is the pricing plan for the media guide, banners, a la cart options, and sponsorship packages. We appreciate your consideration and hope you can join us in supporting the players of the Wilson High School Football Program. Thanks for supporting Wilson football, we are looking forward to a great season. Go Trojans! Sponsor Coordinator Kelsey McCauley, Email: k.mccauley16@gmail.com, Phone: 503.348.9148. Be sure to like us on Facebook and follow us on Twitter. Please visit our website for the latest Wilson Football news - www.trojantdc.com.

***WILSON LOOKING FOR HOST FAMILIES FOR PROGRAM OF ACADEMIC EXCHANGE**

PAX (Program of Academic Exchange) is one of the exchange programs Wilson has had the pleasure of having their students with us over the years. Becoming a Host Family for PAX, Program of Academic Exchange offers your family the chance to share your daily life with an international exchange student for a semester or school year. Hosting is a terrific way to learn more about another country and culture. Everyday activities will take on new meaning when you share them with a student who is eager to discover the American way of life. At the same time, your family will learn and grow as you exchange ideas and compare lifestyles. It's like taking a trip without having to leave home. PAX is a fully accredited exchange visitor program. It is smaller than many programs offering you personal and consistent support throughout the time you are a host family. The responsibilities of a host family are that you be ready to share your life with a PAX student as if they were a son or daughter. This means providing the student with a bed and quiet place to study, three quality meals a day, transportation to and from school activities and the love and support a teenager needs while adapting to life in the U.S. Students come with monthly expense money, health insurance and an eagerness to help out with light chores around the house. Students are motivated to succeed and grow in their adventure, often stating that they want to return to their families with a new maturity and autonomy after living in the U.S. PAX Community Coordinators are available 24 hours a day 7 days a week to answer questions, to intervene or to assist in a smooth experience for your family and students. While this is a volunteer act on the part of your family, there is a tax deduction monthly of up to \$50/school month that the student is with you. I sincerely trust that being a host family will enlarge your world and be an opportunity to cultivate peace in our world at large. Please contact me with any inquiries or if you would like to open your home and hearts to host an awesome PAX exchange student. Gratefully, Frances Swaine, Pax Community Coordinator, fswaine@yahoo.com, 773 454 5077.

NEEDED: FAMILIES TO HOST EXCHANGE STUDENTS NEXT SCHOOL YEAR

The Rotary Club Youth Exchange program is looking for Families to host exchange students during the 2015/2016 school year. Rotary exchange students stay with three different families over the school year so the host family commitment is for about 3.5 months. This is a wonderful way to learn about another culture and to share your home and family, as well as your activities and traditions with a student from another country. **Exchange students are at Wilson for the entire school year so we are looking for families that live in the Wilson area.** Host families can be people with students at Wilson, people with younger kids in the Wilson area, people who have older kids no longer living at home, retirees . . . Host families provide a room for the student, and share meals, family activities, chores and fun with the exchange student. This can be an incredible learning experience and lead to a lifelong friendship. For more information please call Delanie Paasche at 503-246-5009 or delaniedelimont@gmail.com. Thanks!
