

Wilson PTA. everyChild. oneVoice.

Attention Wilson Students and Parents!

You can take a Sample SAT for only \$18!!!

- It's a low-stress sample test using real SAT questions from the current tests.
- It prepares you to better answer questions on the true SAT
- Your sample test scores are not received by colleges, but you get results and advice
- It's administered by Kaplan Education Centers Proctor Professionals
- Wilson PTA keeps your registration fees to do good things right here at Wilson
- Space is limited – So don't delay!

You will gain valuable experience for the real SAT tests. The questions presented are from the current tests, so the practice almost guarantees you'll improve your scores when you take them for real. Having taken this test under lower stress conditions, it will help you feel less stress when you take the real tests. No one will see your scores but you, you get your individual results within two weeks and college-bound advice as well!
