New Wilson High School Baseball Earns OSAA Sportsmanship Nomination

In a recent contest, game officials noted that Wilson Baseball exhibited the great qualities that the Oregon School Activities Association looks for in teams, programs, and communities across the state. Wilson Baseball is now eligible for the OSAA Sportsmanship Award, which includes 100 OSAA Cup points for our school. This recognition program gives officials the opportunity to highlight the positive sportsmanship that they see on the field.

Wilson Students Write Winning Essays

Two Wilson students are winners in the 2019 *Minoru Yasui Day* Essay Contest sponsored by the The Oregon Nikkei Endowment and the Minoru Yasui Legacy Project. Junior Emmett Rashleigh is the first-place high school winner and Sophomore **Benjamin Kono** is a runner-up winner.

Prize-winners will be recognized in an awards ceremony as part of the Minori Yasui Day celebration on March 28, at the University of Oregon School of Law Portland campus. Following the awards ceremony are a panel discussion and free screening of the film *Never Give Up! Minoru Yasui and the Fight for Justice*.

The contest honors the legacy of Minoru Yasui, an Oregon attorney who committed his life to the defense of human and civil rights. His arrest and conviction for challenging the curfew and relocation orders for Japanese American citizens during World War II went all the way to the Supreme Court. In November 2015, President

Barack Obama bestowed upon Minoru Yasui the Presidential Medal of Freedom, the highest civilian award given in the United States. In February 2016, the Oregon Legislature unanimously voted to designate March 28 of each year as Minoru Yasui Day in recognition of the importance of standing up for what you believe in and working to end discrimination in Oregon.

Congratulations to Wilson's Oregon Battle of the Books Team!

Wilson's OBOB team, The Doom, did an excellent job at the district competition on Saturday, March 16. They will be advancing on to the state competition in April! Team members include **Grace Pendergrass, Jack Conway, Sophia Stedman,** and **Ember Summer. Janacia Robertson, Ethan Satterstein,** and **Blu Brunson** also participated in OBOB and placed second in our school competition. Each student read at least four books and as a group, they read over 50 books!

Snowboard Ends Season Strong!

The Snowboard Team finished up their season at state this past weekend. **Carmen Donnerberg** was 1st place in the Banked Slalom and as a team they finished 2nd in State!

Wilson Student-Athletes of the Week

Sophomore **Kiana Roletto**, Women's Tennis: According to Coach Daigle, Kiana has won two challenge matches in prior weeks to earn a spot on the varsity rotation. Last week, with injuries and illness affecting attendance, Kiana landed at #2 doubles against West Linn and #3 singles against Wilsonville. Despite losing to a seasoned West Linn opponent, she came back the next day to score a 6-3, 6-2 win against Wilsonville and help the team record a 4-4 tie in that match. Way to persevere, Kiana!

Sophomore **Nolan Sottoway**, Men's Tennis: According to Coach Sussman, Nolan began his sophomore season with two huge 4th singles victories on the road managing to not even lose a set. Nolan is an outstanding student in the classroom

as well taking a rigorous course load. Nolan has helped the Men's Tennis Team become true contenders this year!

Attendance Matters!

On Wednesday, March 20, more than 180 Wilson students who have achieved near perfect attendance for semester one were honored by a team of counselors and administrators in their classrooms. An additional 29 students who improved their attendance by at least 10% from last year to this year will be acknowledged with a lunch-time pizza party.

In order to be successful in high school, student attendance should be at least 90%. Data shows us that grades start to suffer if students miss more than two days per month. If a student has a barrier to attending school regularly, we have counselors, specialists and administrators who are here to help each and every student meet these attendance goals. Parents, guardians, and students can contact their counselor or a school administrator for help addressing any issues and improving attendance.

New Last Day of School Moved to June 11

The 2018-19 calendar includes three Snow Make-Up Days days on June 10, 11, and 12. Two of the three designated days will be used to add two days at the end of the academic year and move the last day of school to June 11 to restore instructional hours that were lost to weather in February. More info to come from PPS on a plan to restore high school hours before Graduation. Graduation dates will not change.

In addition, the district expects at some teachers to be absent on May 8 to join the Day of Action in Salem, possibly resulting in a district-wide closure for that day. If the decision is made to close school on May 8, June 12 will be the new date for the last day of school for grades PK-11, with an alternate plan for seniors. Stay tuned.

Wilson Student Parking Reminders

Wilson Students and Parents: Unfortunately, while we understand that students would like to be able to park on the Wilson campus, we do not have enough parking spots for all of our student drivers. Students with a Wilson 2019 Student Parking Pass may park in student parking, if a legal space is available. A student parking pass does not provide a reserved space or guarantee a spot, so please be aware that even with a parking pass students may have to find alternative parking off campus.

Wilson teachers have assigned, reserved spaces marked “Faculty” in yellow paint. An empty staff spot is not a legal parking space for student parking permit-holders. Teachers are sometimes required to come and go during the day and plan to return to their assigned space. Please respect our teachers and **do not park in staff parking**. Students who park in staff spaces will get a parking ticket. All parking tickets must be paid before we will issue prom tickets or graduation tickets.

Students parked in visitor, volunteer and handicapped parking spots will also be ticketed and/or towed. Disabled students, staff and families who have a disabled parking placard are the only ones who may legally park in disabled parking.

Thank you for your cooperation.

- Vice President: Will shadow the President in 2019-20 with the intention of stepping into the President role in 2020-21.

- Membership: Tracks Booster membership. Market membership in the fall and create a list of current members that is entered into our gmail system for email communications. The work of this role is heavy in the fall (4-6 hours) and then light the rest of the year.
Social Media: Posts announcements on our Wilson Booster Club facebook page: www.facebook.com/Wilson-Booster-Club-Wilson-High-School-Portland-1877529725698854/. Check out what was done this school year.
- Communications Chair: Oversees volunteer coordinator, webmaster and SignUp.com admin. Time estimate of 3-4 hours per month.
- Volunteer Coordinator: Helps ensure we have volunteers for positions needed. This role will focus on filling volunteer needs as they arise. Time estimate of 1-3 hours per month.

If you are interested in learning more, contact Booster President Ruth White at ruthw@wilsonboosterclub.com.

When a student has been absent from school, a parent or guardian must contact the attendance office within three days to excuse an absence. Here's how: Bring a note from a parent/guardian to the attendance office, located in Wilson's main office; call the attendance office at (503) 916-5294 and leave a message; or email Sara Mattheisen, Attendance Secretary, at smatthei@pps.net. For a complete description of Wilson attendance policies, procedures and supports, go to www.pps.net/Page/10116.
