NEWS

New: Wilson Team 7776 Loose Screws - 1st PPS FTC Robotics Team to Compete at the World Championship

Wilson Robotics Team 7776 Loose Screws competed in the FIRST Tech Challenge World Championship last week in Houston, TX. They finished with a 6-3 record at the championship placing them 23rd in a field of 64 teams from around the world. In the 11-year history of the program, they are the first PPS team to qualify for the FTC World Championship. Their season kicked-off September 9, 2017, and through

a series of elimination tournaments they qualified for the FTC World Championship (the “Olympics” of high school robotics competitions). Over the past four years, with the support of volunteer coaches and mentors, team members taught themselves to program in Java, use Autodesk Inventor to design their robot in CAD, document their design process in their award-winning engineering notebook using ShareLaTeX and give presentations of their work to a panel of judges at each competition.

Congratulations Team 7776 Loose Screws: **Captain Alissa Bergquist, Scott Bremmer, Benjamin Carleton, Sean Harrington, Noah Koontz, Tomas Lemoine, Jake Makuch, Taylor May Moorhouse, Rispa Vranka Wafula;** and volunteer coaches Scott Koontz and Brian Carleton.

Two Opportunities to Help Wilson's Social Worker Support Wilson Students

Wilson's social worker Maureen Brennan's weekly ukulele group is growing! Students participating in Music Mondays gain healthy coping skills to reduce anxiety, increase self-confidence and experience a positive social interaction with other students. Do you have a ukulele tucked away in the closet, collecting dust? Please consider donating it to Maureen's Music Monday group.

Maureen's pantry is bare! Donations of granola bars and fruit snacks for students would be most welcome and will help students get through their days.

Ukulele or food donations can be dropped off in the main office marked "Attn: Maureen Brennan." Monetary donations are welcome as well! Thank you in advance for your generosity. Contact Maureen (503-916-5280 x-75340, mbrennan@pps.net, room #146-B) if you have any questions.
