Submit your senior photo for the yearbook as soon as possible, but before winter break starts on December 16. Photos should be high resolution (300ppi), 2x3 inches minimum, and school appropriate. Email them to yearbookseniorphotos18@gmail.com. Email your questions to yearbook business manager Jillian at whstroyanyearbook@gmail.com.

Pre-Ninth Grade Credits

All pre-ninth grade credits will remain on the student transcript unless they are requested to be removed by the end of the first semester of **freshman year**.

Why would students want a credit removed? Students sometimes want B's or C's removed because these grades appear to be lowering the grade point average early on. Some students want to strive for a straight-A average, and grades lower than an A from middle school would prevent that.

Important: Removing a credit doesn't change your placement in the next level but can impact your progression through graduation requirements. Removing a middle school Algebra credit, for example, would mean that the three math classes that count toward graduation would start with Geometry in 9th grade.

Please submit the request form to your counselor by mid-January if you wish to have a credit removed. You can find the form here: www.pps.net/cms/lib/OR01913224/Centricity/Domain/2728/Pre_9th_Grade_Credit_Request_to_Remove.pdf
