New Three Wilson Swimmers Qualify for 6A State Championships

Junior **Greta Cannon**, 200 Freestyle and the 500 Freestyle: A two-time individual qualifier for State Championships, at Districts Greta hammered the 200 freestyle and led from start to finish leaving no question that she was taking her efforts to State. As a distance swimmer, she made it clear she could step into the sprint swims. Then she came back for the 500 freestyle and once again finished strong to qualify in another event at the 6A Championships.

Junior **Lindsay Smith**, 100 Backstroke: Lindsay is another two-time individual qualifier for State Championships. At Districts, she fought hard to the finish: By the

last flip turn, three swimmers were swimming hard for the final 25 yards. Lindsey continued to fight, each stroke she gained on the others but was out-touched at the finish. However, her strong effort still earned her a qualifying swim for the 6A HS State Championships.

Senior **Linden Cho**, 100 Breaststroke. A three-time individual qualifier for the 6A High School Swimming State Championships. At Districts, Linden led off the blocks but it was anybody's race at the first 25. Each swimmer was now finding their stroke and tempo. It was artistry in the water of sorts, according to the coach. The third 25 was when the top swimmers began to pull away. On the final 25, it was still too close to tell. Fatigue was setting in, but Linden was determined to finish strong. He was gaining ground on the leaders but came up short in the end. Still his 3rd-place finish earned him the qualifying swim for the State Championships.

Congratulations and good luck to all of them at the state meet on February 15-16!

Wilson Student Climbing to the Top

Wilson Junior **Nathaniel Surma** competed in the 2019 USA Climbing Bouldering Youth National Championship this past weekend in Bend, Oregon. He took the bronze in his category and earned a seat on the US Bouldering Team. He has an invitation to compete at the Youth Worlds Championship in Arco, Italy in August. Climb on, Nathaniel!

Student-Athletes of the Week

Senior **Linden Cho**, Swimming: According to his coaches, Linden is without a doubt the most positive member of the squad. He volunteers his time to his teammates to help with stretching their swimming journey. He helped our 200 Medley relay and 200 free relay to a close third. A solid fifth in the 100 Fly. Ending with a third place in the 100 breast with a PR of more than a one second.

Senior **Sid Mesirow**, Swimming: According to her coaches, not only has she been a wonderful captain this season, she had a fantastic district meet. She had one of the

toughest timelines and powered through. She placed 13th in the 100 back with a PR of almost two seconds, then eight minutes later swam the 100 Breast pulling in 16th place. She was also in both the 200 free relay and 400 free relay with a fourth and fifth place. She has done a wonderful job bringing everyone together for team building events.

Trojan Student-Athletes of the Month

Freshman **Eve Hart**, Women's Basketball: Here is what teachers have to say about Eve: "Eve is quick to catch on to new concepts and quick to help the people around her grasp the concepts. It's really great to see a student helping out others. And Eve is able to calmly ask for help when she doesn't grasp a new concept. She is prepared for class and checks to make sure she is getting the correct work done. Eve is a tremendous student who cares about the learning environment and goes out of her way to ensure she does the right thing all the time. She is a model student!"

Junior **Finn Whittaker**, Wrestler: Here is what teachers have to say about Finn: "Finn is a student with razor-sharp focus and a drive to push himself both in and out of the classroom. He is always ready to go the moment he walks through the classroom doors and brings with him such an easygoing, yet focused attitude when it comes to his studies. Finn is a determined, funny, and kind student. He always has thought-provoking questions about the activities and concepts that we cover in class, something that brings a new level of depth into group activities and discussions. Finn knows how to balance work and play in the classroom and almost always has a light-hearted attitude and smile on his face. He doesn't give up when he is faced with a challenge, and that is something you can see both in the classroom and on the wrestling mat."

January Teachers of the Month: JoAnna Coleman and Ken Muraoka

A huge thanks to these outstanding teachers and our entire community of teachers who continually challenge our students in the classroom, the hallways, and help foster civically minded humans!

Esto es lo que los estudiantes tienen que decir sobre **Profe Coleman**: “Es una profesora muy útil y carismática que todos los estudiantes aman porque trabaja duro para involucrar a los estudiantes en clase. Ella es muy atractiva y divertida, se preocupa por nuestras vidas fuera del aula y dentro de ella y es muy comprensiva. Profe Coleman se esfuerza por crear un aula divertida e inclusiva donde todos sus alumnos se sientan respetados y escuchados.”

Here is what students have to say about Profe Coleman: “She is a very helpful and charismatic teacher who all students love because she works hard to engage students in class. She is very engaging and funny, she cares about our lives outside of the classroom as well as inside of it and she is very understanding. Profe Coleman goes out of her way to create a fun and inclusive classroom where all of her students feel respected and heard.”

Here is what students have to say about **Mr. Muraoka**: “Muraoka’s classes are engaging and he challenges us to think outside the box. His classes are not just teaching us about the material he has to present but rather how it all relates to us in the real world. Mr. Muraoka genuinely cares for each one of us and goes out of his way to ensure all voices are heard in his classroom. He is fun, witty, and we appreciate how he lets us challenge him on any topic.”
