## **Student-Athletes of the Week**

Senior **Tristan Passemaard**, Unified Basketball: Tristan is a senior member of the Wilson Unified Trojans basketball team. He is a dedicated and enthusiastic player that always tries his hardest. He has worked very hard to improve his shooting, ball handling, and defensive skills this year. Tristan is a great teammate and demonstrates great sportsmanship at all times.

Sophomore **Greta Cannon**, Swimming: Greta is a positive influence on her teammates. She is a natural leader with the squad as well. She had PR's in both her events and helped lead the 200 Medley Relay Team to a 3rd place finish and is heading to state in two events. She has a bright future with the program. **Greta has also been named PIL Athlete of the Week!**

## **January Student-Athletes of the Month**

**Maia Uili** (Junior): Maia is an amazing young woman, who is respected and admired by both students and faculty at Wilson High School. She is deeply connected to her family and her culture and loves big family gatherings. Maia is involved in so many activities at Wilson and somehow manages to give 110% to everything she does. She has been a unifying and positive force this year in her role as an officer of the Asian Pacific Islander Club and as a member of Students of Color in Action Association. She is an outstanding wrestler, and her commitment to her team is exemplary as she continues to attend matches even though she can't compete due to some cracked ribs. She goes the extra mile academically and is willing to work hard to earn strong grades. And she has been known to extend her gratitude to teachers who go out of their way to help. Maia is a Peer Counselor and shares her kindness and positivity with everyone she meets. Maia sings in two of our choirs with a voice like an angel and can often be heard erupting into song in the middle of a school day! Maia is a student who we all can be very proud of and someone who sets an amazing example for all—she is lovely, kind, musical, respectful, hard-working, responsible, funny, positive, and devoted to her family, friends, and to everything she does at Wilson High School. We are so proud to honor her with this recognition!

**Shaho Meman** (Sophomore): Shaho displayed high standards of sportsmanship and integrity during the wrestling season. He was a competitive athlete on the mat and was also an inspiration to fellow teammates. His work ethic, desire to improve his skills and commitment to the sport of wrestling was seen day in and day out. He was asked to compete in a match against an athlete from Aloha HS who had cerebral palsy. Shaho gave this student a match to remember, and ended up getting pinned by his opponent. The entire gym and all wrestling teams exploded in enthusiasm and appreciation for Shaho's display of sportsmanship.

This year's installation of the Teen West Project consists of two one-act plays investigating the themes and challenges associated with gender and coming of age in the 21st Century. Old friendships, new crushes, swashbuckling adventure and a maritime battle role-playing game set the stage for *Red Sky At Morning*, a biting comedy that explores the ways we're shaped by the online communities we live in. *LOST\_FOR\_WORDS* tells the story of a sacred secret whose disclosure ripples through the community with explosive results. A neo-modernist drama, *LOST\_FOR\_WORDS* pushes the boundaries of theatricality, demanding that we question how we choose to embrace—or reject—the gray areas in our lives.
