New Wilson Peer Counseling

Wilson Peer Counselors are featured in a tribute to Dr. Beatrix Hamburg. In 1948, Dr. Hamburg was the first Black female to graduate from Yale School of Medicine and pioneered peer counseling as an important strategy of “preventative medicine in high schools.” Dr. Hamburg, who died in 2018, was the recipient of numerous awards and recognition for her work on behalf of children over her long career. Recently, the National Academy of Sciences asked permission to use a picture of our peer counselors in a slide show they were creating to celebrate her life, work, and legacy! You can learn more about Dr. Hamburg and her work and life (and see our own peer counselors) here: www.cpnas.org/aahp/slideshows/hamburg/

[hamburg.html](#). Click on the small arrow at the right of her picture to see the 24 slides about Dr. Hamburg.

Students can drop in to see Peer Counselors every day at lunch and at all Tutor Times. The Peer Counselors' office is in the Counseling Department in the Wilson main office. Learn more about Wilson's Peer Counselors at <https://www.pps.net/domain/781>.
