New Wilson Student in the News

Senior **Ryan Bernstein**, author of *OCD to Me, an Anthology of Anxieties*, was showcased recently on Channel 6 News. Check it out here:

<https://www.koin.com/news/human-interest/wilson-high-senior-writes-book-to-help-others-with-ocd/1798174545>.

Student-Athletes of the Week

Senior **Lyla Balthazaar**, Women's Basketball: Lyla is the prime example of all that is great in a student-athlete. She is a consummate teammate who is coachable, positive, and goes out of her way to ensure everyone on the team is valued. She is a model student who challenges herself with a rigorous course load. And she represents Wilson High School with respect in the hallways and community. She is a great kid!

Freshmen **Leo Sewell**, Men's Basketball: Excelling both in the classroom and on the hardwood, Leo Sewell is the consummate student-athlete. Leo has been the starting point guard for the Trojans varsity basketball team this winter. Last week, in a game

at Jefferson, Leo scored 12 points and handed out 10 assists against one of the top teams in the state.

Winter Sports Re-Cap from Athletic Director Mike Nolan

First off, I want to thank the Winter coaching staff for all they did this year to create positive, inclusive, and competitive programs this past winter season. The winter season is the longest season and our coaches gave a ton of time and energy to their programs and I can't thank them enough for all the work they do. Next, a huge thank you to our student-athletes for committing to their studies, their programs, and representing our school with pride. We March On!

Men's Basketball

The Men's Basketball Program was on the road for their final two games of the regular season at Jefferson and Grant, two very good ball clubs. We came up short in our efforts but all levels continued to play hard throughout. Coach Cokley and his staff did an outstanding job with a great collection of guys who are committed, worked hard, and competed on a daily basis this year. They are young group who has a bright future together and I am looking forward to watching the program grow.

Wrestling

The Wrestling Program capped off a great year with sending four wrestlers to the state meet this past weekend: Finn Whittaker, Jordan Taff, Jack Walker, Henry Williams. We didn't have any wrestlers place at the meet but the fact that they got there was an accomplishment in itself. I can't thank the wrestling coaches enough for the work that they put in creating a culture of accountability, inclusiveness, and competitiveness. They have continually improved with Coach Schmidt at the helm and I am looking forward to seeing the program grow next year with a strong group of returners. And the work that the coaches are putting in to the youth program continues to pay off as well!

Swimming

Our swimming program capped off another great year with Greta Cannon placing at the state swim meet and the program battled it out this year in league with some big wins! Our swim coaches continue to create a positive, competitive, and inclusive swim program. With a strong group of returners, they are poised to build upon their successes from this past season.

Ski/Snowboard

Both teams are gearing up for their run at the state tournament. The Ski Team will be competing March 6-8 at Mt. Bachelor and the Snowboard team will be at Mt. Hood Meadows March 12-16.

Unified Basketball

The Unified Basketball Team wrapped up an undefeated regular season with a big win at Forest Grove this past week. They will be playing at the state tournament on March 2nd in Wilsonville. Their first two opponents are Grant and Sherwood.

Women's Basketball

The women's basketball program capped off the regular season with two home games with Jefferson and Grant. The program went 1-1 for the week winning against Jefferson and battling it out with Grant. The program had an outstanding year this year finishing third in league play with an overall record of 16-8. The team finished third in the state for scoring defense as well! They will be traveling to Grants Pass on Wednesday for the first round of the state playoffs. A huge thanks to the women's basketball coaching staff for creating such a positive, inclusive, and competitive program in their first year!

Academic All-State

The OSAA recognizes team GPA's for their Academic All-State Teams. Below are our Team GPA's and the All-State Teams will be released on a later date:

Men's Basketball 3.54

Women's Basketball 3.76

Men's Swimming 3.77

Women's Swimming 3.80

Wrestling 3.32

Spring Sports Parent Meetings

Mark your calendars for March 6th at 6pm for the Spring sports parent meetings. On this night, individual programs will be meeting with you, the parents, to go over the year, expectations, schedules, and any other pertinent information. This is an important night for each program to ensure proper communication and answer any questions that you might have as well. —Mike Nolan, Athletic Director
