NEWS

New: January Student-Athletes of the Month

Maia Uili (Junior): Maia is an amazing young woman, who is respected and admired by both students and faculty at Wilson High School. She is deeply connected to her family and her culture and loves big family gatherings. Maia is involved in so many activities at Wilson and somehow manages to give 110% to everything she does. She has been a unifying and positive force this year in her role as an officer of the Asian Pacific Islander Club and as a member of Students of Color in Action Association. She is an outstanding wrestler, and her commitment to her team is exemplary as she continues to attend matches even though she can't compete due to some cracked ribs. She goes the extra mile academically and is willing to work hard to earn strong grades. And she has been known to extend her

gratitude to teachers who go out of their way to help. Maia is a Peer Counselor and shares her kindness and positivity with everyone she meets. Maia sings in two of our choirs with a voice like an angel and can often be heard erupting into song in the middle of a school day! Maia is a student who we all can be very proud of and someone who sets an amazing example for all—she is lovely, kind, musical, respectful, hard-working, responsible, funny, positive, and devoted to her family, friends, and to everything she does at Wilson High School. We are so proud to honor her with this recognition!

Shaho Meman (Sophomore): Shaho displayed high standards of sportsmanship and integrity during the wrestling season. He was a competitive athlete on the mat and was also an inspiration to fellow teammates. His work ethic, desire to improve his skills and commitment to the sport of wrestling was seen day in and day out. He was asked to compete in a match against an athlete from Aloha HS who had cerebral palsy. Shaho gave this student a match to remember, and ended up getting pinned by his opponent. The entire gym and all wrestling teams exploded in enthusiasm and appreciation for Shaho's display of sportsmanship.

Wilson Robotics Teams Compete on Sunday, February 11

The Oregon Robotics Super Qualifier Tournaments takes place this weekend. Teams from all over the state will compete for a spot at the State Championship. Wilson Teams 7776 Loose Screws and 10565 System Online compete Sunday at Evergreen Middle School in Hillsboro. Wilson Team 9231 Big Bots compete on Sunday at Benson High School in Portland.

Swimming, **Margaret Strecker (Sophomore)**: Coach Wiggins says this has been a wonderful year for Margaret. She is an extremely hard worker in practice and has improved all season long. She is willing to swim every event and looking forward to a great season next year. She was 4th in the 100 Free with a PR, 2nd in the 50 Back with a PR, 2nd in the 200 Medley Relay, and 2nd in the 200 Free Relay.

This year's installation of the Teen West Project consists of two one-act plays investigating the themes and challenges associated with gender and coming of age in the 21st Century. Old friendships, new crushes, swashbuckling adventure and a maritime battle role-playing game set the stage for *Red Sky At Morning*, a biting comedy that explores the ways we're shaped by the online communities we live in. *LOST_FOR_WORDS* tells the story of a sacred secret whose disclosure ripples through the community with explosive results. A neo-modernist drama, *LOST_FOR_WORDS* pushes the boundaries of theatricality, demanding that we question how we choose to embrace—or reject—the gray areas in our lives.
