Wilson Scholarship Initiative Sets Endowment Goal

Student debt, rising tuition, increasing average student loan amounts combined with a decline in Oregon's financial support for needy college-bound students pose huge obstacles for new high school graduates. Fortunately, the Wilson community

supports our school's commitment to helping our most deserving seniors succeed after high school. We first appealed to our community in 2015 to join our Scholarship Initiative and your response was overwhelming: Your generosity has enabled us to provide two \$1000 scholarships annually!

We are asking once again for your support as we begin a drive to raise \$50,000 to endow perpetual scholarships for Wilson students through the Oregon Community Fund program. Learn about the benefits available to donors and how to donate by check, credit card, and online at <https://www.pps.net/domain/794>. Email **Tina-Marie Baskin** with any questions.

Please support our future leaders! No amount is too small. We thank you.

Did You Forecast for Fewer than Eight Courses Next Year?

Further action required for all students requesting fewer than eight periods next year:

The State of Oregon is now requiring all high schools to ensure that 80% of their student body is enrolled in eight classes. PPS and the Oregon Department of Education have worked together to honor some of the outside activities that you may be involved in, but Wilson has to report these activities.

Please email or stop in and see your counselor **before spring break** if you forecasted for an early dismissal or late arrival. If you drop in and your counselor is not available, please speak with Ms. Dailey. We need to see if you meet the state's standard for outside activities, which include:

- Employment
- Volunteer work
- Internship
- Taking a college class outside of the building

We need to hear from **all** students who forecasted for fewer than eight periods next year. If we are out of compliance with this new requirement, our school will lose the ability for students to have less than eight classes and Mr. Chatard will require you to add classes into your course requests. We know that some of you do not meet the requirements listed above, but we need to hear from all who signed up for a free period. —Keith Brown (for the counselors)

Woodrow Wilson Scholars

Seniors: If you meet the following criteria, you are a Woodrow Wilson Scholar! A meeting with your counselor during third quarter is required to verify your qualifications. Students who complete seven semesters with a minimum 3.5 cumulative GPA and complete the **requirements for the program**, including community service, receive the “scholars” distinction at graduation.

Please stop into the Counseling Department soon to make sure that you are recognized for completing our most rigorous course of study!

Senior Parent Ad Deadline Extended

A message from Mr. Higbee’s yearbook class: “Senior parents, do you like to procrastinate? Do you love your senior? If so, today's your day! We've extended the deadline for senior parent ads. Email Jillian at **whstroyanyearbook@gmail.com** with your ad details or for more info. We need it before spring break. Seriously.”

Senior Grad Night Party—Don’t Miss It, Sign Up Now

Details and registrations forms can be found in the Wilson main office and online at **www.pps.net/domain/792** (if you print the forms yourself at home, please do not print them double-sided). News from the Wilson Library

The 2018 Multnomah County Library Everybody Reads Book is *Exit West* by Mohsin Hamid. Copies are available now in the Wilson Library for student and/or parent checkout. In *Exit West*, Nadia and Saeed's city turns into a patchwork of checkpoints and bomb blasts. The couple begins to hear whispers about doors—doors that can whisk people far away, if perilously and for a price. As the violence escalates, Nadia and Saeed decide that they no longer have a choice. Leaving their homeland and their old lives behind, they find a door and step through. The New Yorker Magazine called this book about the refugee experience “instantly canonical.”

We also have tickets available for students who would like to hear Hamid speak at the Arlene Schnitzer Concert Hall on April 5, 2018, at 7:30pm. Permission slips are available in the library. For more information, see multcolib.org or email Cassie Lanzas at clanzas@pps.net.
