Foundation Challenge Will Match Contributions through May

We have raised over \$6,000 towards our goal of \$8,000 for a matching donation!

The paddle raise at the auction raised more than \$40,000 to pay for staff! A generous Wilson family has agreed to match donations to Foundation in the month of May up to an additional \$8,000. We are asking those of you who haven't donated yet to do so now. You can click [here](#) to make your contribution, or write a check payable to "Wilson Foundation" and drop it off to the office. No amount is too large or too small as our combined efforts have impact. Thank you!

Parents Want to Know More About Wilson High...

As Brian Chatard has said, one of the cornerstones of a great school community is the support and engagement of its parents and families. Wilson is a great school today because of your involvement, advocacy and support for the work we do on behalf of the students. One way that parents can be involved and learn what is going on in our community is volunteering for the PTA. The PTA Board is looking for volunteers to oversee PTA support at Wilson. PTA provides academic and staff support, is the fiscal sponsor of Grad Night and provides other school support. The time commitment is minimal. In fact the current board is made up of volunteers who work full time and still find time to support Wilson. If you would like more information on how to get involved email Phyllis@ksnyder.com.
