Parents Want to Know More About Wilson High...

As Brian Chatard has said, one of the cornerstones of a great school community is the support and engagement of its parents and families. Wilson is a great school today because of your involvement, advocacy and support for the work we do on behalf of the students. One way that parents can be involved and learn what is going on in our community is volunteering for the PTA. The PTA Board is looking for volunteers to oversee PTA support at Wilson. PTA provides academic and staff support, is the fiscal sponsor of Grad Night and provides other school support. The time commitment is minimal. In fact the current board is made up of volunteers who work full time and still find time to support Wilson. If you would like more information on how to get involved email Phyllis@ksnyder.com.

Southwest Stageworks, the Wilson High School Theatre Company, Proudly Presents *Harvey*, May 5-7 & 11-13
