Share the Holiday Spirit with Wilson Families in Need!

There are Wilson families in need of support through the winter break holiday. If you and your family are able and willing, please consider donating gift cards from Fred Meyer, Safeway, Winco, Trader Joe's or Albertson's. Gift cards are a great way to let families pick the foods they enjoy or to select gifts that are appropriate and sized correctly for family members. We are also accepting canned foods and non-perishables to stock our food pantry. Especially needed: tuna, chicken, chili, soups, pasta and sauce, canned fruits and vegetables. Please drop off any donations to Wilson's social worker, Maureen Brennan, or to business manager Erica Meyers in the main office by Monday, December 10. As we enter this season, let us show all our families the kindness and empathy that define our Wilson Community. If you have any questions, feel free to contact Maureen Brennan, at 503-916-5280, x75340, mbrennan@pps.net.

The Partnership for Scientific Inquiry is a spring term program which encourages student participation in science competitions and fosters a mentoring relationship with local scientists. Selected students will meet on Tuesdays from 5-7:00pm (February-May) for a lecture series at OHSU to learn about ongoing research projects conducted by scientists at Oregon Health & Science University, Portland State University, and Legacy Research Institute. Each student will be mentored by a researcher and gain firsthand knowledge of research methods and develop their own research proposal. The program requires regular attendance and significant time commitment outside of class for homework and research proposal development. Students may elect to do laboratory research (or possibly clinical research, depending on the mentor) over the summer. Students are also encouraged to develop a science fair project with the assistance of their mentor. Most mentors will offer students who are 16 and older an opportunity to carry out his/her proposed research during the summer. A letter of recommendation from a math or science teacher is recommended. **Application materials due January 1.**
