The Wilson Way Video Contest is Officially Underway!

So what is the Wilson Way? Students, show us the meaning of the Wilson Way by making a video that brings it to life. What does it mean to exemplify the Wilson Way in the classroom, on campus, and in the community? Video entries are due by November 1 to Principal Chatard. Cash prizes and Wilson swag will be awarded to the winning entries, plus you can brag about winning on your resume! The winning video will be used in future classroom Wilson Way lessons. For more information, pick up a flyer in the main office.

Practice ACT, Friday, November 3, Wilson Cafeteria, 10am-1:30pm

Wilson offers two practice sessions every year with the help of Kaplan to give our students the opportunity to sit for these exams in a testing environment that is simply for practice to see how they do and what they need to study for the real thing. Scores are not reported to colleges. A Practice SAT will be offered Monday, January 29. Details will be available closer to the date.

Registration and what to bring: http://kaplan.formstack.com/forms/wilson_act_nov2017.

Arrive before 9:30—it takes some time to get everyone in the door and seated. The cost is \$10.00 at the door. Students receiving Free/Reduced Lunch may take the practice exam for free. Advance registration at the link above is required.

Pre-Ninth Grade Credits

All pre-ninth grade credits will remain on the student transcript unless they are requested to be removed by the end of the first semester of **freshman year**.

Why would students want a credit removed? Students sometimes want B's or C's removed because these grades appear to be lowering the grade point average early on. Some students want to strive for a straight-A average, and grades lower than an A from middle school would prevent that.

Important: Removing a credit doesn't change your placement in the next level but can impact your progression through graduation requirements. Removing a middle school Algebra credit, for example, would mean that the three math classes that count toward graduation would start with Geometry in 9th grade.

Please submit the request form to your counselor by mid-January if you wish to have a credit removed. You can find the form here: www.pps.net/cms/lib/OR01913224/Centricity/Domain/2728/Pre_9th_Grade_Credit_Request_to_Remove.pdf
