NEWS

Wilson Student-Athletes of the Week

Sophomore **J'Quan Smith**, Unified Soccer: J'Quan has emerged as a leader on the Unified Soccer team this season, both on the field and in the classroom. His work ethic and positive attitude make him an outstanding role model for his teammates and his peers at Wilson. He's one of the best defenders on the team and has notched a few goals and assists as the team has battled its way to a perfect 6-0 record. He will have an important role at the state tournament on November 3rd and in seasons to come. J'Quan truly exemplifies what it means to be a student-athlete.

The Senior Volleyball Players: The Seniors led the Trojans to a great night of volleyball against Jefferson, for their last home match. **Delaney, Dylan, Mia, Zoey and Karly** played great all season but highlighted their efforts the last week of the

season beating Jefferson and Cleveland in three sets! The seniors have been a vital part of the program for four years, and will be missed.
