All students are invited with a special shout-out to students who identify as students of color and/or historically underserved students. Vice Principals Dr. G and Ms. Freeman along with teachers Jamie Suehiro and Nabilah Mohammed will be present. We want to center our students' voices as we write and create our school-wide equity, diversity, and inclusion action plan for the 19-20 school year.

His U.S. State department scholarship includes comprehensive health insurance and school fees. A host can be for the school year, a semester or minimum of two months. His current host suffered a fall while hiking and is on crutches.

Hosts provide meals with family, a bed, place to study, and the opportunity to join family activities. Families include single parent, retired, with or without children. Contact Mimi Sanders, PAX Coordinator (503-293-6195, [mimisandersart@hotmail.com](mailto:mimisandersart@hotmail.com)).

Here's how: Bring a note from a parent/guardian to the attendance office, located in Wilson's main office; call the attendance office at (503) 916-5294 and leave a message; or email Sara Mattheisen, Attendance Secretary, at [smatthei@pps.net](mailto:smatthei@pps.net). Apply for or renew benefits online at <https://district.ode.state.or.us/apps/frlapp/default.aspx>.

#### **Host a Rotary Exchange Student**

Hosting an exchange student can be fun and enriching for the whole family. Each host family hosts a visiting student for a part of the school year, usually for three to four months. During that time the student is treated as a member of the family, not a guest, with the same privileges and responsibilities as other family members.

### **What do Bates, The New School, University of Chicago, Occidental, Redlands, Cal Poly, Macalester, Dartmouth, Brown, and Colby have in common?**

They are all scheduled to visit Wilson High School this fall, along with 47 other colleges and universities so far. Log in to your Naviance account to check the current list of colleges and get signed up.

Why are college visits important?

- A good way to begin thinking about what you want out of a college experience is by attending a visit and listening to presentations. They can help you figure out what you don't know about what might be important to you!
- Juniors and seniors can help narrow down or expand their interests in colleges
- The college reps that make the visits are often the reader of your application when you apply, so if you intend to apply to a school that is visiting us, it is worth your while to meet them face to face and show interest in their school

Keep in mind that most college visits happen during class time and you are responsible for what you miss, so choose responsibly and wisely
