PRINCIPAL'S WEEKLY MESSAGE - From [Filp Hristić](#)

View all Principal messages [here](#).

Dear Wilson Community,

Now is the time to let the [PPS School Board](#) know that [Wilson, Jefferson, and Cleveland should be included on the 2020 Bond!](#)

A modernized Wilson would provide students with state-of-the-art learning facilities for generations to come. While much has changed since 1957, Wilson facilities have not. It is time to ensure that all PPS high schools, including Wilson, Jefferson, and Cleveland, provide students with 21st century learning opportunities.

These are some highlights from [preliminary modernization plans](#) for Wilson High School:

- Wilson students will stay in the current building while the new building is constructed.
- New building will include modernized classrooms, science labs, career-and-technical education spaces, fine and performing arts facilities, athletic facilities, and more.
- The Wilson pool can remain on camps.
- No expenditures are needed for bussing and temporary classrooms - money can be directly invested in the new facilities.
- The 2020 bond will keep the current tax levels unchanged.

Please contact PPS School Board members and share this simple message: The time has come to modernize Wilson, Jefferson, and Cleveland.

Red Cross Lifesaving Award for Professional Responders presented to local WHS teen for using her training skills to save a life

Portland, OR, Jan. 14, 2020 — Wilson High School senior, Rivkah Zigman didn't hesitate to call on her American Red Cross training in First Aid/CPR/AED to save the life of a 60-year-old woman while volunteering last summer in Tel Aviv, Israel. For this heroic and lifesaving action, Zigman will receive the Red Cross

Lifesaving Award for Professional Responders in a ceremony tonight at the Cascades Region Board Meeting. The Lifesaving Award for Professional Responders is the highest award given by the Red Cross to individuals or group of individuals who save or sustain a life using skills learned in a Red Cross Training Services course. *Media is invited to attend this presentation at 5 p.m. tonight at the Red Cross Cascades Region headquarters at 3131 N. Vancouver Ave. Portland, OR 97227. Please arrive by 4:45 p.m.

"We're extremely proud to present a Lifesaving Award for Professional Responders to Rivkah," Dale Kunce, CEO of the Red Cross Cascades Region said. "Her actions exemplify our mission to help people prevent, prepare for and respond to emergencies."

In July of 2019, Zigman traveled to Tel Aviv, Israel to volunteer with United Hatzalah, a volunteer-based emergency medical services organization in Israel. While on duty with United Hatzalah responders, they were dispatched to a 60-year-old female unresponsive patient. Zigman applied the automated external defibrillator (AED) and participated in the CPR efforts for nearly 30 minutes. Working with the EMT teams, they were able to get a pulse and transported the woman to the hospital, where she ultimately survived. Zigman completed the Adult and Child First Aid / CPR / AED training course with the Red Cross Cascades Region at Wilson High School on December 15, 2017.

Red Cross training gives people the knowledge and skills to act in an emergency and save a life. A variety of online, blended (online and in-person skills session) and classroom courses are available at redcross.org/takeaclass.

If you or someone you know has used skills and knowledge learned in an American Red Cross Training Services course to help save or sustain the life of another individual, visit LifesavingAwards.org to nominate, recognize, or be inspired.

About the American Red Cross: The American Red Cross shelters, feeds and provides emotional support to victims of disasters; supplies about 40 percent of the nation's blood; teaches skills that save lives; provides international humanitarian aid; and supports military members and their families. The Red Cross is a not-for-profit organization that depends on volunteers and the generosity of the American public to perform its mission. For more information, please visit redcross.org or cruzrojaamericana.org, or visit us on Twitter at [@RedCrossCasc](https://twitter.com/RedCrossCasc).

What do Bates, The New School, University of Chicago, Occidental, Redlands, Cal Poly, Macalester, Dartmouth, Brown, and Colby have in common?

They are all scheduled to visit Wilson High School this fall, along with 47 other colleges and universities so far. Log in to your Naviance account to check the current list of colleges and get signed up.

Why are college visits important?

- A good way to begin thinking about what you want out of a college experience is by attending a visit and listening to presentations. They can help you figure out what you don't know about what might be important to you!
- Juniors and seniors can help narrow down or expand their interests in colleges
- The college reps that make the visits are often the reader of your application when you apply, so if you intend to apply to a school that is visiting us, it is worth your while to meet them face to face and show interest in their school

Keep in mind that most college visits happen during class time and you are responsible for what you miss, so choose responsibly and wisely
