## **What do Bates, The New School, University of Chicago, Occidental, Redlands, Cal Poly, Macalester, Dartmouth, Brown, and Colby have in common?**

They are all scheduled to visit Wilson High School this fall, along with 47 other colleges and universities so far. Log in to your Naviance account to check the current list of colleges and get signed up.

Why are college visits important?

- A good way to begin thinking about what you want out of a college experience is by attending a visit and listening to presentations. They can help you figure out what you don't know about what might be important to you!
- Juniors and seniors can help narrow down or expand their interests in colleges
- The college reps that make the visits are often the reader of your application when you apply, so if you intend to apply to a school that is visiting us, it is worth your while to meet them face to face and show interest in their school

Keep in mind that most college visits happen during class time and you are responsible for what you miss, so choose responsibly and wisely
