## PRINCIPAL'S WEEKLY MESSAGE - From [Filip Hristić](#)

View all Principal messages [here](#).

Dear Wilson Families,

On Wednesday night the Oregon Department of Education updated its *Distance Learning for All* guidance with a new section: *Supporting our Students in Grades 9, 10, and 11*. The [updated guidance](#) includes information about credits and essential learning for the Class of 2021, Class of 2022, and Class of 2023.

This guidance calls on educators across the state to focus instruction and work with our high school students on **care, connection and essential learning**. Students will receive credit for the spring semester classes based on the work completed through March 13 and mastery of essential learning this spring. This essential learning will be centered on key standards students need to be ready for next school year. Per state guidance, teachers will assign grades Pass/Incomplete instead of traditional letter grades.

The work we are engaged in, like all academic learning, requires teacher-student connection. We will continue to make every effort to reach every student and to provide them access to continual learning opportunities; this includes making sure students have computers and internet access at home. We will also finalize and communicate ways to support students who have earned Incomplete marks.

Please continue to reach out to us to let us know how we can support you and your family. In the meantime, you can find information and resources available to students and families on the [district's website](#).

We wish you health and wellness in the days and weeks to come.

All the best,

Filip Hristić, Ed.D.  
Principal, Wilson High School

## Advanced Marketing Project

Advanced Marketing is doing our radio unit. To analyze the contemporary climate of radio, we are exploring podcasts (the future of radio?). The plant in Texas that prints the Yearbook is indefinitely shut down. While it not clear exactly when the year books will be arriving we are hopeful the books will be available in September. More information will be provided when the plant reopens.

### **WHS Teacher Appreciation**

We hope this finds you as well as can be expected during these trying times. Our Wilson professionals have been working hard for us and we would like to put together one more staff appreciation event for this school year. We have a plan for contact-less delivery of some commercially prepared fruit boxes for our classroom teachers. If we get enough funding, we want to expand to include the entire staff.

If you're interested in donating, you can either Venmo Jessica at @JChrist18 or message her for other ways to send funds ([jess\\_jon@msn.com](mailto:jess_jon@msn.com) or 503-317-9962). We are hoping to receive donations by April 30th for a May delivery.

Including the entire staff is a hefty goal, each box is \$25. Whether or not you are able to donate this time, all your various contributions throughout the year are appreciated.

-Jessica & Marci (PTA Hospitality Co-Chairs)

## Spring Athletic Fees

Dear Wilson Families,

As you know, Gov. Kate Brown has canceled all in-person classes in the state for the rest of the 2019-20 school year due COVID 19. Following that announcement, the Oregon School Activities Association, which governs high school sports in the state, has canceled all spring sports and championships.

Here in Portland Public Schools, those decisions mean that spring sports are canceled for the Portland Interscholastic League at the high school levels. We know this is difficult news for student-athletes who have been hard at work preparing for the spring season, especially for the seniors. Please know that you are not alone, that your disappointment is one of the sacrifices that all of us are making during this historic crisis. For spring athletes, your coaches will stay in touch with you throughout the season. Our coaches will continue to follow the guidelines set by the OSAA which are updated at the [organization's coronavirus webpage](#).

Wilson families who have paid the **PIL Spring Sports Fee** have the following options:

1. Request a refund-The funds will be returned to you using the same method of payment you used originally. Please note, electronic refunds (if you paid with a credit or debit card) will be issued first. It will take additional time process refunds for families that paid with a check or cash. We will issue and mail a check back to these families. We are still navigating how to physically get refund checks processed, signed and mailed during this time.
2. Donate the fee to help defray the cost of equipment that we have already procured for spring and help to pay the stipends for our coaches.

If you would like to donate your fee, please reach out to Ana Curtis at [acurtis@pps.net](mailto:acurtis@pps.net) by April 23rd. If you paid by credit card, you should receive your refund soon. If you paid by check or cash, we will have to print a check and mail it which could take 1-2 weeks.

We hope that all of you are safe and sound during these unprecedented times.

Sincerely,

--

Michael Nolan  
Wilson High School  
Athletic Director

Greetings Wilson families,

I hope that this message finds you well and managing through this difficult time. I have been reading and sifting through the ever changing landscape of health and education announcements that have been issued. While it is difficult to pull together the right information and resources and then figure out how to share them, the folks at [Oregon Goes to College](#) have done a fabulous job putting together a **VERY COMPREHENSIVE set of information on how and what to do if you are a junior, a senior, or a current college student as well as a general update section on changes in the admissions world with videos, clickable checklists, and resources!**

**Please use this fantastic resource as it is all that you need to know about college and testing in Oregon. UPDATES are posted as things continue to change - including a chat function, and advice from local admissions counselors [oregongoestocollege.org/corona](http://oregongoestocollege.org/corona)**

There are a few updates I would like to point out to you as well:

1. **Please reach out** with questions on college related things to myself [kmilford@pps.net](mailto:kmilford@pps.net) or to your counselor while we are out of the building - we can help! We are working on video and calling options as well and will communicate these when available.

6. Many colleges across the nation are committed to helping the class of 2021 by going test optional for next year and understanding that grades and transcripts across the nation will look different. They will evaluate students based on the greater context of COVID 19 as well as our local context.

**What do Bates, The New School, University of Chicago, Occidental, Redlands, Cal Poly, Macalester, Dartmouth, Brown, and Colby have in common?**

They are all scheduled to visit Wilson High School this fall, along with 47 other colleges and universities so far. Log in to your Naviance account to check the current list of colleges and get signed up.

Why are college visits important?

- A good way to begin thinking about what you want out of a college experience is by attending a visit and listening to presentations. They can help you figure out what you don't know about what might be important to you!
- Juniors and seniors can help narrow down or expand their interests in colleges
- The college reps that make the visits are often the reader of your application when you apply, so if you intend to apply to a school that is visiting us, it is worth your while to meet them face to face and show interest in their school

Keep in mind that most college visits happen during class time and you are responsible for what you miss, so choose responsibly and wisely
