PRINCIPAL'S WEEKLY MESSAGE - From [Filip Hristić](#)

View all Principal messages [here](#).

Dear Wilson Community,

I am happy to say that next year we will be able to make important investments in our students' education and well-being. We are hoping to add staffing and reduce class sizes for Computer Science, French, Art, and other academic and elective programs. We will also add a full-time Social Worker and a full-time School Climate Coordinator. Our Social Worker will work closely with our staff and our families to ensure that we are responsive to our students' socio-emotional needs. The primary role of our School Climate Coordinator will be to support our student leadership groups, to work with various stakeholders to develop a safe and inclusive school culture, and to provide professional development for our staff.

I know that we all recognize that these are important investments in our students' present and future. At the same time, I have to be honest and say that we as a school can not make these investments on our own. We need your support. If you are able to and willing, please consider donating to the [Wilson Foundation](#). Our goal is to raise \$75,000 before the end of the school year. 100% of the money raised will go directly to building our academic programs, reducing class sizes, and supporting the overall well-being of our students.

Winter Play: You Cannot Undo This Action- Opens 2/20

- Teen West Project: Year 8 - You Cannot Undo This Action
- Written by: Conor Eifler; Directed by: Matthew B. Zrebski
- Performs 2/20-2/22 and 2/27-2/29

Set in our frenetic world of instant communication where things go viral and social capital rises and falls with each push of the “send” button, the students of Lafayette and Adams High Schools are plunged into mystery when a horrifying tragedy forces their communities to dangerously intersect. All are suspect. Revenge will be pursued. The truth must come out. Because someone decided to post something...and it cannot be undone.

Conor Eifler’s psychological thriller was inspired by conversations with the Wilson High School Community about social media and how it’s affecting the lives of adolescents – from the joys of wonderful connectedness, to the dangers of growing subcultures who lash out with hate. In exploring these issues head on, *You Cannot Undo This Action* aims to spark dialogue about our rapidly evolving digital world...

Tickets on sale at the door and at southweststageworks.com. \$15 General Admission/\$10 Students and Educators. (*Due to strong language and intense situations, is recommended for mature teens and older*)

WHS Food Pantry

Just a reminder there is a food pantry here at WHS that can be accessed by both students and families. While it is a small space, we do have many items such as canned goods, cereal, pasta, rice, peanut butter, beans, and lots of hygiene and household products. Your student or yourself can access the pantry during school hours, just contact your student's counselor or main office staff. Thank you!

We will also share ideas for creating cell phone contracts, provide resources for discussing the use of social media, and the concept of the digital footprint. SAT Exam 3/4_Schedule Update (11th Grade Students)

Portland Public Schools has paid for all of our 11th grade students to take the SAT exam on the morning of Wednesday, March 4. It is important for all families and students to note that the 4th was originally scheduled as a non-instructional school day, but we have decided to run an early release "B-day" schedule instead, in order to maximize instructional time for our non-testing students. We will share more information, including a more detailed schedule, as the date draws closer. See the link to the College Board SAT practice page below for helpful practice and preparation resources.

Fundraiser for Unified Sports Team Gear

Stephanie Satorian (Freshman Physics Teacher) will be once again participating in the Polar Plunge in a few weeks. She is doing this to raise money for our very own Unified Sports team for gear, uniforms, etc. Her goal this year is to raise \$300+ for the team. Yes, she will jump into the very cold Columbia River on February 22nd as a token of her appreciation.

If you would like to show your support... share her fundraising link, come out to watch her scream her guts out (she hates cold water), or donate what you can. Thank you all so much!

February Food Drive

This February, WHS Key Club is partnering with Food Driven, a volunteer-led organization that aims to make donations convenient by having their volunteer drivers pick it up from you. Key Club will be holding a food drive and there will be a barrel or two near the front office starting February 3, and we encourage all to donate any extra non-perishable food items that you can spare. Although you can always drop off your donations in these barrels, we are also offering the donation pick-up option. By visiting www.food-driven.org you can schedule a pick-up time for our club members to come by your address. We hope this option helps to make the donating process accessible to all. All donations are going to the Oregon Food Bank. This is a city-wide food drive, so let's show that the Wilson-area community can do our part!

Sr. Grad Night Party 2020 - Sign up

The countdown to the Sr. Grad night party has begun. To learn more go [here](#). Information regarding the **2020 Grad Night Party** can be found at www.WilsonGradNight.com. This includes much more information about this party including a link to the registration form and payment information. To register and pay go [here](#).

Our ultimate goal is that 100% of the Class of 2020 would like to attend! Both partial and full scholarships are available to ensure that everyone can attend. Any additional questions can be directed to WilsonGradNight@gmail.com.

What do Bates, The New School, University of Chicago, Occidental, Redlands, Cal Poly,

Macalester, Dartmouth, Brown, and Colby have in common?

They are all scheduled to visit Wilson High School this fall, along with 47 other colleges and universities so far. Log in to your Naviance account to check the current list of colleges and get signed up.

Why are college visits important?

- A good way to begin thinking about what you want out of a college experience is by attending a visit and listening to presentations. They can help you figure out what you don't know about what might be important to you!
- Juniors and seniors can help narrow down or expand their interests in colleges

- The college reps that make the visits are often the reader of your application when you apply, so if you intend to apply to a school that is visiting us, it is worth your while to meet them face to face and show interest in their school

Keep in mind that most college visits happen during class time and you are responsible for what you miss, so choose responsibly and wisely
