## PRINCIPAL'S WEEKLY MESSAGE - From [Filip Hristić](#)

View all Principal messages [here](#).

Dear Wilson Community,

We had a successful SAT day with nearly all of our Juniors taking the test and many of our Seniors completing graduation requirements. Many thanks to VP Covey, Ms. Manashe and all the parent volunteers who helped out on Wednesday. It took a whole team to make the day run smoothly!

Some of you may have noticed contractors in orange shirts on our campus over the last two weeks. They are in the process of installing speakers in common areas in our hallways, cafeteria, and gym. The purpose of these speakers is to ensure that everyone can hear school announcements, including emergency notifications, everywhere on campus. We are also getting card-readers on exterior doors. This will allow us to keep all exterior doors locked during school hours. Staff will be able to enter the building using their badge. Everyone else will need to get 'buzzed in'. Our secretaries will have video phones which will allow them to see who is requesting access into the building. This project should be completed shortly after spring break.

I hope you have a restful weekend. As always, please let me know if you have any questions or gratitudes you'd like to share.

With Gratitude,

### PPS Coronavirus Update

Our district staff continues to monitor developments regarding coronavirus in Oregon, Washington and nationally. We are in regular communication with a number of education and public health agency partners, and in daily contact with Multnomah County Health Department and our fellow county school districts. In addition:

- Our custodial and operations crews are continuing to clean daily, while prioritizing high-touch surfaces in classrooms and common areas. Cleaning efforts follow protocols from Multnomah County and the Centers for Disease Control.
- We have established a cross-functional core team, which meets daily to review, discuss, and decide actions and steps regarding the many questions and issues related to coronavirus, both present and with regard to potential future scenarios.
- We are asking school building administrators to encourage proactive efforts by staff and students, including frequent handwashing, covering mouths when coughing or sneezing, and using hand sanitizer.

The safety, health and well-being of our students and staff is our highest priority. You and your student can help reduce the risk of spreading coronavirus by staying home if you are experiencing symptoms of a cold or flu.

We know that families have many more questions than those that are addressed above. We plan to share updates with families twice a week for the foreseeable future. In between messages from PPS, you can stay up-to-date by visiting the links below. You can also find all messages to families and other resources by visiting [pps.net/coronavirus](https://pps.net/coronavirus).

### **Japan 2021 Update**

COVID-19 has officially thwarted our spring break plans to travel to Japan as a group of Wilson students and parents. Though we are saddened by this and the virus' global impacts, we are excited to open up a future March 2021 tour to new travelers to join a mostly intact 2020 crew. If you are interested in finding out more about this 11-day trip and its amazing itinerary, please attend our information meeting on Monday, March 9 from 6-7:30 PM in Room 119. This tour will be led by staff: Ellen Whatmore and Jamie Suehiro. Direct email inquiries to Ellen Jamie at [whsjapan2020@gmail.com](mailto:whsjapan2020@gmail.com)

PLEASE NOTE: This is a non school sponsored event. Portland Public Schools (PPS) does not fund, sponsor, or endorse this travel study program. ### **American Mathematics Competition Results!**

Congratulations to all the students who participated in this year's AMC Contest. Particular kudos to the top three scorers on the 12th grade test: Josh Bromley, Michael Schuff and Elaine Demetron, and to the top three scorers on the 10th grade test: Preston Bushnell, Cara Weathers and Emily Kern.

Josh, Michael and Preston will move on to compete in the American Invitational Mathematics Examination (AIME). This marks the first time in recent memory that three WHS students qualified for the AIME, but perhaps most importantly, our team scores were high enough to get our AMC trophy back from Lincoln! Brian Sahler, Math Department, Wilson HS

### **Performance Opportunities - 2020 Spring and Summer Concerts**

The Hillsdale Community Foundation built and dedicated the Josh Kadish Community Stage at the Hillsdale Food Park in July 2019 and hosted a Saturday evening concert series last summer. We are planning now for 2020 spring and summer concerts and events. The possibilities for performances are endless: musical, dramatic, comedy, dance, magic, puppet shows, poetry and more! Keep in mind that the stage is small (about 8'x10') and can not accommodate large groups. We know there is talent in the WHS community waiting for a chance to shine. Presently the Hillsdale Community Foundation is booking the stage during July and August, but we are open to having the stage used during the school year as well. Please write to [info@hillsdalecommunityfoundation.org](mailto:info@hillsdalecommunityfoundation.org) if you have an idea for a performance or would like to perform yourself. We'd love to talk to you!

### **What do Bates, The New School, University of Chicago, Occidental, Redlands, Cal Poly, Macalester, Dartmouth, Brown, and Colby have in common?**

They are all scheduled to visit Wilson High School this fall, along with 47 other colleges and universities so far. Log in to your Naviance account to check the current list of colleges and get signed up.

Why are college visits important?

- A good way to begin thinking about what you want out of a college experience is by attending a visit and listening to presentations. They can help you figure out what you don't know about what might be important to you!
- Juniors and seniors can help narrow down or expand their interests in colleges
- The college reps that make the visits are often the reader of your application when you apply, so if you intend to apply to a school that is visiting us, it is worth your while to meet them face to face and show interest in their school

Keep in mind that most college visits happen during class time and you are responsible for what you miss, so choose responsibly and wisely
