Wilson Conceptual Master Planning Forum - 12/12

Please join your friends and neighbors at the upcoming Wilson Conceptual Master Planning Forum on Thursday, December 12th from 5:00 p.m. to 7:00 p.m. at Wilson High - Location TBD.

See several concepts of what a modernized Wilson campus would look like and share your thoughts with the project team and your local School Board member, Andrew Scott.

What Is Conceptual Master Planning?The conceptual master planning process will determine each school's overall program needs, site layout, and estimated costs for historic modernization vs. new construction. The early planning effort will help us more accurately determine the cost estimates for the modernization or the rebuilding of that school. This information will help PPS in the planning of future capital improvement bonds.

More information can be found at the [Wilson CMPC website](https://www.pps.net/Page/14290). <https://www.pps.net/Page/14290>

Winter Sports Parent Meetings

On Monday, December 2, we are hosting our Winter Sports Parent Meetings. We will meet as a group in the Cafeteria at 6:30pm and then individual teams will host their parent meetings to go over the year and expectations. I have attached an additional article to this weeks' Weekly that covers some of the work we are trying to do as an Athletic Department especially when it comes to learning resiliency and recognizing everything has a process. It also touches upon what you as parents can do to support your student-athlete as well.

Wilson Dance Team

The Wilson Dance Team is gearing up for its first performance of the year at this weeks' assembly. The team still has room for dancers if you are interested in a fun and growing program. Please feel to reach out to our office if you have any questions.

Attention WHS Athletes-Speed Development Program

What does EVERY athlete and team in American want more of...? **SPEED!** Wilson's new "Feed the Cats" speed development program is designed to build your maximal speed. Come enjoy "quality" over "quantity" workouts w/drills typically lasting between 5 to 10 seconds. Our running is **NOT** punishment. Racing is **FUN!** All you need to do is show up and challenge yourself.

Training begins **Monday, December 2nd from 3:40-4:40pm** (meet in Room #7 / Mr. E's room). Every Monday - Thursday. Come by Coach Olsen's room (#213) to receive more information.

Wilson Alumni College Panel @ Wilson Dec 19th

Thursday December 19th will be our annual College Panel at 6:30 pm in the Choir Room. Recent Wilson alumni will come and answer questions about their college experience. This is an excellent chance for students to hear from their peers about the next steps after high school. It is one of our best events of the year, don't miss it! See you at 6:30 pm in the Choir Room!

Macalester, Dartmouth, Brown, and Colby have in common?

They are all scheduled to visit Wilson High School this fall, along with 47 other colleges and universities so far. Log in to your Naviance account to check the current list of colleges and get signed up.

Why are college visits important?

- A good way to begin thinking about what you want out of a college experience is by attending a visit and listening to presentations. They can help you figure out what you don't know about what might be important to you!
- Juniors and seniors can help narrow down or expand their interests in colleges

1151 SW Vermont St, Portland 97219

WHS on [Facebook](#), [Twitter](#) and Instagram ([wilson_trojans](#))

- The college reps that make the visits are often the reader of your application when you apply, so if you intend to apply to a school that is visiting us, it is worth your while to meet them face to face and show interest in their school

Keep in mind that most college visits happen during class time and you are responsible for what you miss, so choose responsibly and wisely
