## PRINCIPAL'S WEEKLY MESSAGE - From [Filip Hristić](#)

View all Principal messages [here](#).

Dear Wilson Families,

Earlier this week we finally received information about this year's graduation ceremonies. I'm pleased to let you know that on June 8, our graduating seniors will walk across the stage and will receive their high school diploma. This will mark an important accomplishment in our students' educational journey, a journey that will certainly continue beyond high school.

Next week we will mail home all essential information about the June 8 "Diploma Day". Because this will be a drive up/walk up event, there is a lot of planning that we need to do in order to make sure that our graduation is both celebratory and safe.

We will go over some of the logistical details at the Senior Meeting on Tuesday, May 26, @ 3pm. Please join us on Instagram Live @ Wilson\_Trojans.

We will probably have several opportunities for families to help us prepare for the June 8 event. If you, or someone you know, can serve a photographer or videographer on that day, please send me an email. We will share additional volunteer opportunities next week.

I hope you have a wonderful weekend.

With Gratitude,

Filip Hristić, Ed.D.  
Principal, Wilson High School

## WHS Distance Learning Master Schedule

Here is a working draft of the Wilson HS [distance learning master schedule](#). We hope that this document helps you and your student develop a daily and weekly schedule that works best for you and your family.

When you click on the link above, you will see that there are individual tabs for each department. You will also see separate columns for the four essential questions that we wanted to answer:

- What platform is each teacher using?
- When are assignments typically posted?
- When are assignments typically due?
- How can students connect with each teacher?

Please keep in mind that this master schedule may be changing slightly in the days and weeks to come. We will keep this document updated as much as possible. However, for most accurate and up-to-date information about each class, please visit each teacher's google classroom or contact the teacher directly.

Also, please let us know if you or your student need additional clarity or support. Students are expected to have about 2 hours of work/week/class. If your student is feeling overwhelmed or confused, please contact the teacher directly, email your student's counselor, or reach out to your student's grade-level admin ([link to staff list](#)). Thank you for your ongoing feedback and support.
