## PRINCIPAL'S WEEKLY MESSAGE - From [Filip Hristić](#)

View all Principal messages [here](#).

Dear Wilson Families,

The Oregon Department of Education issued new [guidance](#) regarding graduation ceremonies for the Class of 2020. We can expect additional information from the district in the days to come. In the meantime, please know that our students, families, and staff are finding creative solutions to honor and celebrate our graduating seniors. Our Grad Night Party Committee is distributing lawn signs to our seniors and is creating a senior slideshow presentation that will feature current and baby photos. Our students have taken the lead on several projects as well, including [this wonderful testament](#) of seniors' accomplishments and future aspirations. During the month of May, we will also share some of the Senior Awards winners during a weekly Instagram Live chat with Student Leadership ([@Wilson\\_Trojans](#)). Several other potential celebrations are under way. More to come soon.

Next week is the Staff Appreciation Week. Thank you to our PTA Hospitality Chairs, Jessica Christiansen and Marci Forbes for celebrating and nourishing our staff with fruit boxes. Thank you to all of you who contributed to this thoughtful gesture. Your kindness is greatly appreciated.

I would love to flood our teacher and staff inboxes next week with notes of gratitude from families and students. If you felt gratitude and appreciation for any of our staff members over the last few weeks, or at any point this school year, please email a quick note of appreciation. I know that this will mean a lot to our staff.

With Gratitude,

Filip Hristić, Ed.D.  
Principal, Wilson High School

## WHS Distance Learning Master Schedule

Here is a working draft of the Wilson HS [distance learning master schedule](#). We hope that this document helps you and your student develop a daily and weekly schedule that works best for you and your family.

When you click on the link above, you will see that there are individual tabs for each department. You will also see separate columns for the four essential questions that we wanted to answer:

- What platform is each teacher using?
- When are assignments typically posted?
- When are assignments typically due?
- How can students connect with each teacher?

Please keep in mind that this master schedule may be changing slightly in the days and weeks to come. We will keep this document updated as much as possible. However, for most accurate and up-to-date information about each class, please visit each teacher's google classroom or contact the teacher directly.

Also, please let us know if you or your student need additional clarity or support. Students are expected to have about 2 hours of work/week/class. If your student is feeling overwhelmed or confused, please contact the teacher directly, email your student's counselor, or reach out to your student's grade-level admin ([link to staff list](#)). Thank you for your ongoing feedback and support.

### Spring Athletic Fees

Dear Wilson Families,

As you know, Gov. Kate Brown has canceled all in-person classes in the state for the rest of the 2019-20 school year due COVID 19. Following that announcement, the Oregon School Activities Association, which governs high school sports in the state, has canceled all spring sports and championships.

Here in Portland Public Schools, those decisions mean that spring sports are canceled for the Portland Interscholastic League at the high school levels. We know this is difficult news for student-athletes who have been hard at work preparing for the spring season, especially for the seniors. Please know that you are not alone, that your disappointment is one of the sacrifices that all of us are making during this historic crisis.

WHS on [Facebook](#), [Twitter](#) and Instagram (wilson\_trojans)

For spring athletes, your coaches will stay in touch with you throughout the season. Our coaches will continue to follow the guidelines set by the OSAA which are updated at the [organization's coronavirus webpage](#).

Wilson families who have paid the **PIL Spring Sports Fee** have the following options:

1. Request a refund-The funds will be returned to you using the same method of payment you used originally. Please note, electronic refunds (if you paid with a credit or debit card) will be issued first. It will take additional time process refunds for families that paid with a check or cash. We will issue and mail a check back to these families. We are still navigating how to physically get refund checks processed, signed and mailed during this time.
2. Donate the fee to help defray the cost of equipment that we have already procured for spring and help to pay the stipends for our coaches.

If you would like to donate your fee, please reach out to Ana Curtis at [acurtis@pps.net](mailto:acurtis@pps.net) by April 23rd. If you paid by credit card, you should receive your refund soon. If you paid by check or cash, we will have to print a check and mail it which could take 1-2 weeks.

We hope that all of you are safe and sound during these unprecedented times.

Sincerely,

--

Michael Nolan  
Wilson High School  
Athletic Director

## Coronavirus and College - What you Need to Know!

Greetings Wilson families,

I hope that this message finds you well and managing through this difficult time. I have been reading and sifting through the ever changing landscape of health and education announcements that have been issued. While it is difficult to pull together the right information and resources and then figure out how to share them, the folks at [Oregon Goes to College](#) have done a fabulous job putting together a **VERY COMPREHENSIVE set of information on how and what to do if you are a junior, a senior, or a current college student as well as a general update section on changes in the admissions world with videos, clickable checklists, and resources!**

Please use this fantastic resource as it is all that you need to know about college and testing in Oregon. UPDATES are posted as things continue to change - including a chat function, and advice from local admissions counselors [oregongoestocollege.org/corona](http://oregongoestocollege.org/corona)

There are a few updates I would like to point out to you as well:

1. **Please reach out** with questions on college related things to myself [kmilford@pps.net](mailto:kmilford@pps.net) or to your counselor while we are out of the building - we can help! We are working on video and calling options as well and will communicate these when available.
2. **Oregon Promise:** There is a *tentative Expected Family Contribution (EFC) limit* of 34,000 for Class of 2020 applicants. Visit [Oregon Promise FAQs](#) for all details.
3. **Seniors** - most Oregon schools and many others have moved their commitment/deposit day from May 1 to June 1 - see the list on the website along with links to all of our schools online virtual tours!
4. **ALL Oregon Public Universities have announced they will be TEST OPTIONAL** (meaning admissions test - ACT/SAT) moving forward - class of 2021 onward!
5. **The PTA Scholarship deadline has been extended until the End Of APRIL on 30th** - I am waiting for an update on how to turn it in. If you have submitted it to me or would like to do so via email, I will make sure to get your app. to the right place. Look for an update on this.
6. Many colleges across the nation are committed to helping the class of 2021 by going test optional for next year and understanding that grades and transcripts across the nation will look different. They will evaluate students based on the greater context of COVID 19 as well as our local context.

## Graduation Guidance for High School Seniors

The district released [Graduation Pathways 2020](#), the guidance for high school seniors, including graduation requirements and information regarding the grading of coursework. On Friday (4/10/20), the district put out this [FAQ](#).

## What do Bates, The New School, University of Chicago, Occidental, Redlands, Cal Poly, Macalester, Dartmouth, Brown, and Colby have in common?

They are all scheduled to visit Wilson High School this fall, along with 47 other colleges and universities so far. Log in to your Naviance account to check the current list of colleges and get signed up.

Why are college visits important?

- A good way to begin thinking about what you want out of a college experience is by attending a visit and listening to presentations. They can help you figure out what you don't know about what might be important to you!
- Juniors and seniors can help narrow down or expand their interests in colleges

Office: (503) 916-5280; Attendance (503) 916-5294

1151 SW Vermont St, Portland 97219

WHS on [Facebook](#), [Twitter](#) and Instagram ([wilson\\_trojans](#))

- The college reps that make the visits are often the reader of your application when you apply, so if you intend to apply to a school that is visiting us, it is worth your while to meet them face to face and show interest in their school

Keep in mind that most college visits happen during class time and you are responsible for what you miss, so choose responsibly and wisely
