Looking Really Far Ahead

Every year students in 6th grade attend Outdoor School (ODS), a one week overnight camp within approximately a 90 minute drive of Portland. Students participate in an environmental science curriculum. The date for RHMS is May 10-15. You will be receiving more information about the curriculum, camp locations, and an opportunity to visit the camp prior to the week.

Parent Teacher Conferences

Conferences are almost upon us. The staff and I are looking forward to sharing with families about your child and in many cases- children.

Conferences will take place in the RWMS Gymnasium. Staff will check parents in when they arrive. Each family will receive their child's schedule, assessment data, and a Student-Teacher-Family Compact. It is up to parents whether or not to have their child

At Roseway we truly believe it takes a village to support and educate a child. Our academic team and instructional specialists along with several community partners will be on hand to help families identify programs beneficial to them. In addition, we will have interpreters available to families who need their assistance.

The doors will open for conferences at 8:45 on Monday morning, November 25, 2019. The lunch break will be from 11:20-12:30. The dinner hour is from 4:30-5:30. The administrative team will provide refreshments for the staff both days. The evening will end at 8:15 pm. We will give a thirty minute warning at 7:45 pm signaling that it is time to begin bringing the evening to a close.

Eighth Grade Students to Visit Madison and Marshall Campus

This week, our eighth grade students will travel to Madison High School. As I am sure you know, for the next two years, the

Madison High School Program is located on the Marshall Campus. Students will travel to Marshall via Trimet. If you have an Eighth grade student in your home, please make sure they bring their signed permission slip to school by Wednesday morning. If you have questions, please contact Roseway Heights Counselor Jennifer Coomes.
