4th Grade Supply List

Dear Incoming fourth grade families,

In order to prevent waste and to save you from time consuming shopping trips, the fourth grade teachers are requesting a cash donation in lieu of school supplies. With your contribution, we will be able to purchase supplies in bulk and make sure that every student is equitably equipped with what they need. We have found that having uniform supplies helps keep our students more organized and focused on their learning. Your donation will cover things like pencils, paper, notebooks, folders, glue, tape, Kleenex, disinfecting wipes, markers, etc.

Additionally, we are requesting that each family contribute to our fourth grade field trip fund. We love going into the field, and we value these experiences for our IB learners, as we strongly believe that children learn by constructing knowledge through first hand experience. In past years, fourth grade has used these funds to travel to the Oregon Historical Society, Salem State Capitol, Bonneville Dam, The End of the Trail Interpretive Center, and to see the Oregon Children's Theater. We also have enjoyed onsite OMSI presentations. We hope to line up just as many informative learning opportunities next year. Please support us by helping to pay entrance fees and transportation costs with this one-time donation.

We are requesting a donation of:

- **\$40 for school supplies and \$40 for field trips.**
- **Headphones or earbuds (in a baggie labeled with student name)**

The easiest way to send in funds is through SchoolPay. You may also send a check made out to Sabin School and give it to your child's teacher on the first day of school. If it is more convenient for you to pay part of this request at the beginning of the year and part at a later date, that would be alright as well. If this request is a hardship for your family, please feel free to pay what you can, we will still supply every child with what they need.

Thank you so much for your support. We are looking forward to a wonderful year. If you have any questions, please do not hesitate to contact either of us.
