

Parents and Guardians,

We would like to formally introduce “**Grandma Kathy’s Grub Fund**”, created to provide both parents and children with an opportunity for any child, at any time, to get a nutritious breakfast or lunch. Grandma Kathy would be ecstatic to know that this fund was being used, in whatever fashion parents need!

- Money tight? Just send an email to: lmartin@pps.net to have the fund applied to an outstanding balance.
No questions asked!
- Outstanding unpaid cafeteria balances will covered by the fund.
- Groceries light at home? No problem! The outstanding cafeteria staff will deliver breakfast or lunch to your child, even if they do have a current School Cafe account.

Thank you for using this fund when you need it most. That is the legacy that Grandma Kathy would love to be a part of!

Kathy Strade was a devoted Sabin Star and Grandma. Long before her grandchildren attended Sabin, she was a strong Sabin supporter...she was known for her excitement and enthusiasm at the annual auction (often times energetically bidding against herself), and she always gave generously to the Special Appeal. She was also the anonymous donor who launched the North Playground project.

Kathy was a fantastic grandma and always kept tasty treats at her home for her seven grandchildren (some healthy...some not-so-much). She could never bear the thought of a child going hungry, and recognized that all parents have times in their lives where it may be difficult to make ends meet.

We would like to announce that the beautiful gift she left to Sabin in her estate will fund “Grandma Kathy’s Grub Fund”. This fund will be used to eliminate any outstanding balances in a child’s cafeteria account that parents are unable to pay, with no need for explanation or pre-qualification. We are working with the Administration to make it easy for parents to select this option, as well as to cover any remaining unpaid balances.
