Happy 2021

For a lot of people a new year means the chance to start a new and make a big change. The talk of picking a New Year’s Resolution begins and we all think about the things we wish we could forget or leave behind in the old year.

I feel this year is no different, we can all think of many things we would like to leave behind in 2020. But I wonder, should we leave anything behind?

2020 was a difficult year full of change, stress, worry and new ways of living. But it also brought along a chance to grow in resiliency. And a chance to spend more time with our families. So instead of working to forget 2020, why not focus on the positives that came from the previous year.

What are 5 positives or growths that came out of 2020?

What do you want to remember about 2020?

Library Updates

Friday, January 8, 2021

Let's Get Reading! Update

Let's Get Reading! book bag distribution will continue through the month of January. Please see the attached calendar for current pick up dates. As a reminder, distribution continues from the door at the northwest corner of our school building. When you arrive at the school, please remember to wear a face covering and maintain physical distancing.

Library Book Return

PPS is in the process of sending notices to families of students with books still checked out in their name prior to our closure in March 2020. These notices do not include any books received via the *Let's Get Reading!* bags. If you locate missing library books at home, you are welcome to return them to the school at our next book bag distribution on Wednesdays. Please contact Mrs. Wilkins with any questions about overdue books.

MYP Library Assignments

As we approach the end of the quarter later this month, now is an excellent time to review your child's assignment completion in Canvas. Please note that students need to complete at least four (4) weekly activity logs to earn a grade of Pass for their library course grade in Quarter 2. If students are not able to complete the required number of logs, their report card will reflect "no grade."

Vernon Book Club

We continue to offer weekly book club meetings for each grade level, and all students are welcome to join us at any time.

Students in grades K-2 are welcome to join us on Tuesdays from 2:15-2:45. We'll have a chance to share books we are reading, and also to hear a story or two.

In grades 3-5 we continue to enjoy a variety of books, including some titles from the OBOB and Reading is Resistance book lists. Students are completing their work with *El Deafo* by CeCe Bell. Starting in February, we will begin reading *Dragons in a Bag* by Zetta Elliott. We'd love you to join us for our weekly meetings on Thursdays at 3:30-4:15!

MYP students are meeting for a weekly book club on Thursday mornings from 8:45-9:30. Currently, we are reading *The Justice Project* by Michael Betcherman. It's not too late to join us if you would like to participate!

Virtual Book Fair – January 11-24

Over the next two weeks, families will have the opportunity to shop a "virtual book fair." Purchased items may be shipped to your home, and our school gets credit we can use to purchase additional books for student use. To browse the selection of books offered, please visit the link below.

Book fair link: <https://www.scholastic.com/bf/vernonelementaryschool4>

Scholastic offers free shipping to your home on orders over \$25. If you choose to purchase posters, pencils, etc., the website will void the free shipping for books. It's recommended that you purchase books and other items on separate transactions so you can enjoy free shipping for as many items as possible.
