Finding the Positives Around Us

With 2020, technically behind, one would hope our troubles would just vanish. But with the horrific events of last week, that is not the case. So how do we support and protect our students, when at times our day to day is uncertain? By being honest with them and showing them how to find positivity in their day to day lives.

The City of Portland is full of color, art, and self-expression. Just by looking around your neighborhood, you will find images of positivity and hope. We have encouraged several students to look for those images; in posters, yard signs, bumper stickers, street art, etc. And we encourage everyone to take a walk or drive around Portland to find something that gives you hope and makes your heart feel warm. Look for the signs of positivity.

Library Updates

Friday, January 8, 2021

Let's Get Reading! Update

Let's Get Reading! book bag distribution will continue through the month of January. Please see the attached calendar for current pick up dates. As a reminder, distribution continues from the door at the northwest corner of our school building. When you arrive at the school, please remember to wear a face covering and maintain physical distancing.

Library Book Return

PPS is in the process of sending notices to families of students with books still checked out in their name prior to our closure in March 2020. These notices do not include any books received via the *Let's Get Reading!* bags. If you locate missing library books at home, you are welcome to return them to the school at our next book bag distribution on Wednesdays. Please contact Mrs. Wilkins with any questions about overdue books.

MYP Library Assignments

As we approach the end of the quarter later this month, now is an excellent time to review your child's assignment completion in Canvas. Please note that students need to complete at least four (4) weekly activity logs to earn a grade of Pass for their library course grade in Quarter 2. If students are not able to complete the required number of logs, their report card will reflect "no grade."

Vernon Book Club

We continue to offer weekly book club meetings for each grade level, and all students are welcome to join us at any time.

Students in grades K-2 are welcome to join us on Tuesdays from 2:15-2:45. We'll have a chance to share books we are reading, and also to hear a story or two.

In grades 3-5 we continue to enjoy a variety of books, including some titles from the OBOB and Reading is Resistance book lists. Students are completing their work with *El Deafo* by CeCe Bell. Starting in February, we will begin reading *Dragons in a Bag* by Zetta Elliott. We'd love you to join us for our weekly meetings on Thursdays at 3:30-4:15!

MYP students are meeting for a weekly book club on Thursday mornings from 8:45-9:30. Currently, we are reading *The Justice Project* by Michael Betcherman. It's not too late to join us if you would like to participate!

Virtual Book Fair – January 11-24

Over the next two weeks, families will have the opportunity to shop a "virtual book fair." Purchased items may be shipped to your home, and our school gets credit we can use to purchase additional books for student use. To browse the selection of books offered, please visit the link below.

Book fair link: <https://www.scholastic.com/bf/vernonelementaryschool4>

Scholastic offers free shipping to your home on orders over \$25. If you choose to purchase posters, pencils, etc., the website will void the free shipping for books. It's recommended that you purchase books and other items on separate transactions so you can enjoy free shipping for as many items as possible.
