- Kindergarten Connect- Information event for 23-24 5-6 PM

Below is the Vernon Cell Phone Policy- We periodically review rules and expectations with students. Please take a minute to read over these guidelines and go over them with your child. Thanks in advance for helping us make sure that cell phones are not an unnecessary distraction from learning for Vernon students.

The policy for cell phone use for PYP (K-5) students is: cell phones and devices are off and away the entire school day.

The policy for cell phone use for MYP (6-8) students is: cell phones and devices are off and away the entire day, with the exception of recess and lunch. Students are allowed to use their phones in the cafeteria and outside at recess.

This means that no cell phones should be out in the hallways, classrooms or bathrooms at Vernon. If a student violates the policy, the following steps will be taken:

1st violation- Phone will be confiscated and turned into the office to be picked up at the end of the day by the student.

2nd violation- Phone will be confiscated and parents will have to pick up the phone in the office.

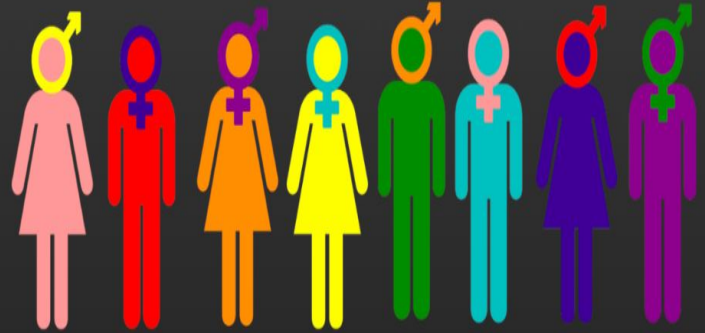

If a student needs to reach a parent, they need to come to the Office to make the call, so the Office is aware of any emergency or concern. We ask parents to not engage in phone or text conversations with your child during the school day for K-5 or other than at lunch and recess for 6-8. Instead, please remind students to contact the Main Office at 503-916-6415 if they need to connect with their parents.

Wings of Freedom, Vernon Gay Straight Alliance presents
