PPS STUDENT CHROMEBOOKS

We will be taking an inventory of the PPS chromebooks that were issued to 3rd - 7th grade students this year in the next couple of weeks.

If your 3rd - 7th grade student wishes to keep their chromebook over the summer, you will need to sign a permission note and return it to school before your student can take the chromebook home.

All 8th grade students will be returning their PPS chromebooks to Ms. Harold. If they are attending a PPS high school next year, they will be issued a new chromebook at that site.
