FIELD DAY 2021

Hello Vernon Families and Students!

It's time for FIELD DAY 2021, VIRTUAL STYLE!

Mr. Rittman invites you to participate in this virtual field day challenge! If you participate, he would like any pictures or videos you take to be submitted to him by the last Monday of school, June 7th at mrtrittman@pps.net. That way he can take those images and videos and make them into an amazing Vernon video to share with our Vernon school community during the last week of school! How cool is that?

He encourages everyone to participate how ever it works for you, on your own or with friends and family and when the time works for you! Make sure to have fun!

All you need are some household items like:
socks shoes a piece of paper a towel

ARE YOU UP FOR THE CHALLENGE?

Happy Spring Celebration Owls!

It's time to celebrate the end of the 2020/21 school year and an end to a year like no other! We've changed, been kept apart, told to stay safe and still. But most of all, we've been opened up to a new pace of life, a new orientation, a new perspective. Please take this time to take stalk in what we've accomplished. School learning has not been the priority. We've seen a new way to do things, closer to home. With more independence. More questions. Please share what you've learned using this link.

Multnomah County Library Connect

Starting on May 18, Vernon students can now access books through the Multnomah County

Library through their Library Connect Program – no library card required! Students can use their PPS student ID number and birthday to access the library catalog, place holds for books, and check out materials. If your child already has a library card, they can continue to use that if they prefer.

I will be providing additional information and instructions on how to access this exciting program as part of some summer reading resources in the coming weeks. Please keep eye out for this information through Seesaw and Canvas.

Library Grading Reminder

As a reminder, students should be completing at least four of the weekly library activities via Seesaw or Canvas to receive a passing grade for library this quarter. Now is a great time to turn in any additional activities for grading. Please contact Mrs. Wilkins if you have questions or if there is anything I can do to help!
