### **Fun For The Owls was a huge success!!!**

Fun For The Owls is one of our biggest PTA fundraisers. Thank you to each and every parent volunteer who helped make the event a huge success. We also want to thank Sue Viens, Maya Von Geldern, and Paula Politte, as the three of them were the driving force behind this fundraiser! Donations for the event will be taking place between now and November. Head over to [VernonPTA.org](http://VernonPTA.org) for more information on this event and all things PTA.

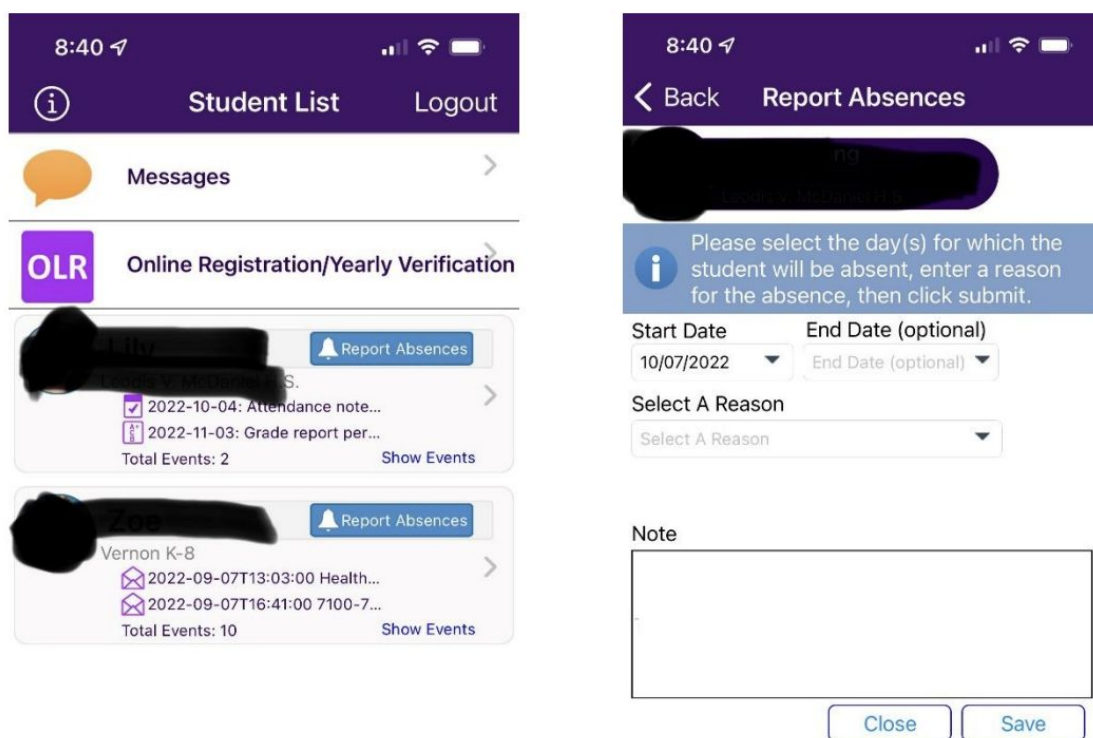

# How to Report Student Attendance

1. You can **self report attendance in ParentVUE**. This will work for any all day absence.

## **THIS IS THE PREFERRED METHOD FOR REPORTING ATTENDANCE!**

Log in to ParentVUE app and click the “Report Absences” Button next to your student’s name. In the following screen, select a start for the absence, and optionally, an end date and note and then Save. This will also work from the ParentVUE website. Your attendance entry will be automatically entered in Synergy!

2. **Email Us!** Email your student’s teacher and CC: attendance at [jstrong@pps.net](mailto:jstrong@pps.net) to report your student’s absence. This works great for all attendance notes including partial day absences like appointments. We will record the absence in Synergy.
3. **Call Us!** Call us at (503) 916–6415, option 2. If we are unable to answer the phone, please leave a message and we will record your attendance call in Synergy.
