### Site Council Members Needed

Every school in Oregon is required to have a Site Council to help develop, monitor, and evaluate the effectiveness of the school improvement plans. This is a group of teachers, parents, and administrators who meet at least quarterly throughout the year to discuss Vernon's goals and vision.

If you are interested in being on our SITE council, please email me. Our next meeting will be November 9th from 5:45- 7:00.

For our younger Owls-Please include a change of clothes in your younger child's backpack in case of wet accidents (including milk and mud!), especially if you've received loaner clothing in the past.

The Office has a limited amount of clothing for wet accidents and would appreciate your **laundering and returning clothing items that are borrowed for accidents.**

Thank You - Vernon Office

Thank you to Retired Oregon Supreme Court Justice for taking the time to visit with our 7th and 8th graders as well as our Wings Of Freedom student group. Justice Linder was impressed with the insightful questions posed by our students! Below are a few photos from her visit to Vernon.

Thank you to Delisse Ortiz and the Las Familias group for putting on the Dia De los Muertos event on Tuesday. It was a great turnout, and a wonderful celebration of those we have lost who are important to us. Those in attendance were able to enjoy treats, participate in crafts, face painting, listen to music, and play games.
